

# The funniest time ever!

One day, My mom, me and her friend Brian went to dinner. We couldn't choose what restaurant we wanted to go to so we drove around for a while. Finally we picked Tacos Locos. We went inside the restaurant and they got us a table. I ordered beans, cheese and a burrito. My mom ordered takitos, Brian ordered tacos.

Our food got done and the worker brought it to us. My mom put guacamole in Brian's cup. Brian launched a tomato at my mom. I threw beans and cheese at both of them. We ate the rest of our food quickly. We walked to our car. We were all laughing so hard. My mom peed her pants, I was crying Brian was just laughing really hard. We finally stopped laughing and go in our car and I drove away.
