By Gracie Patton

Have you ever gone to a terrific school? I have and it's Parkside! IXL is fun and I get to do it in Parkside! I get to do IXL on ipads and it's so much fun! I can also do IXL on the computer. In Parkside I get to have a thing called Fun Friday! Fun Friday is so much fun! One of the greatest things about Fun Friday is we get to do rhythms. There is stores and we can buy stuff with Parkside pride tickets. One of the

stores is the christmas store.

There's also the other store called
the pride store. Now you know
why I think Parkside is tremen-
dous!
