

Last Sunday was the best Mothers day ever! It was a warm, sunny day. Mom loved all of our gifts. Mom got box of chocolates from Dad. My Dad also got Mom a new grill. I hid my presents in some awkward places. I made blueberry pancakes. My brother, Davis made orange juice. Dad made some bacon. We surprised Mom, and her eyes were as big as saucepans! She was as happy as a fisherman with a fish! I hope next mothers day will be just as good!
