# 2021-22 COMMUNITY PARTNERS PROGRAM

Metrolina Christian Academy's Community Partners Program provides businesses with meaningful opportunities to support our students in all areas on our campus – academic programs, athletics and fine arts – while also offering marketing access to the entire MCA community. Through digital (website, email and social media) and print media, signage at major events and more, MCA Community Partners can demonstrate their support while advertising their services to our school families and friends.

The MCA Community Partners Program offers several levels of sponsorship with a wide range of marketing benefits customized to support your business and its goals. As an MCA Community Partner, your business will receive broad-based visibility on MCA's campus for the length of the school year.

Here are the Community Partners benefits your business will experience:

- **Loyalty** – The MCA community desires to support businesses that partner with Metrolina Christian Academy. We feel confident that this program will bring you new customers and business opportunities from MCA.
- **High Visibility** – Your business will be seen multiple times in various locations throughout our campus, reinforcing your support and keeping your business in front of the MCA community.
- **Multiple Audiences** – The MCA/First Baptist Church Indian Trail community consists of more than 10,000 supporters, all of whom will see your business name on our fields, in our gym, at various arts programs, in numerous publications and digital ads on monitors around campus.
- **One Solicitation** – As a Community Partner with MCA, you will be able to promote your business in all of the school's advertising areas without multiple solicitations. One solicitation allows you to plan for your budgetary needs and schedule payments over the coming year.

Our Community Partners are encouraged to make a decision by August 1st, in order to maximize the benefits of their sponsorship. All annual partnership agreements begin August 1st and continue for the entire school year, with the option to renew on or before July 31st.

Please contact the MCA Advancement Office to discuss partnership opportunities!

# WHO WE ARE

Metrolina Christian Academy (MCA) is one of the premier private Christian schools in the southeastern US, along with being the second largest in North Carolina. As a ministry of First Baptist Church of Indian Trail, MCA shares its facilities with the church in one of Charlotte Metro's fastest growing areas—Indian Trail. Metrolina Christian Academy currently serves over 1,300 students representing 800+ families who attend more than 150 different churches.

MCA has a rich tradition of challenging its students academically and equipping them spiritually to lead the lives God has chosen for them. MCA prides itself in having a comprehensive academy, which includes an early education program for infants through 4 years old, a kindergarten through twelfth grade school, and an extended care program. Using a curriculum that is integrated with the Word of God, MCA maintains high academic standards. MCA students consistently score above the national average on the Stanford Achievement Tests and on the ACT each year. MCA students are provided a safe, Christian environment where they are nurtured academically and spiritually for the cause of Christ.

We invite you to join us in advancing the mission at MCA by becoming a member of the Community Partners Program.

Thank you for your prayerful consideration of the MCA Community Partners Program!
