SCHOOL STARTING TIMES

- Lower School (LS) - 8:00 a.m.
- Middle School (MS) - 8:15 a.m.
- Upper School (US) - 8:15 a.m.

DISMISSAL

- Pre-K - 2:00 p.m.
- Kindergarten - 3:00 p.m.
- 1st - 4th Grade - 3:00 p.m.
- 5th - 8th Grade - 3:20 p.m.
- 9th - 12th Grade - 3:20 p.m.
- MS/US Tutorial - 3:20 - 3:50 p.m.

In the interest of safety, parents are asked to stay in the car line rather than pull into the parking lot or elsewhere to pick up their child(ren). Children are asked to exit and enter only on the right side of the car. Lower School Pick-Up is in front of the school. Lower School students not picked up by 3:15 p.m. will be taken to Knights in Extended Day (KiX). Middle School Pick-Up is in the parking lot next to the football/soccer field. Upper School students should be picked-up/dropped off in the "round-about" behind Corn Hall.

LOWER SCHOOL CARPOOL VISOR SIGNS

School-issued visor signs enhance the safety of our students while expediting the Lower School carpool process. Each parent, guardian and/or authorized carpool pick up will be supplied with a visor sign bearing your child's last name. Please display the school-issued sign from the passenger side visor while in the car line. Once your child is safely loaded into his/her vehicle, the visor and sign may be returned to the upright position. Additional carpool visor signs may be requested by contacting Lower School Director Rebecca Pruitt at rebeccapruitt@fredericaacademy.org.

EARLY DISMISSAL

Frederica dismisses early a few times during the school year. Notices will be posted to the website and sent via the school's weekly e-newsletter communication in advance of these designated days. These dates are also indicated on the At-A-Glance Calendar.

KNIGHTS IN EXTENDED DAY (KIX)

KiX is available for Frederica Academy students in Pre-Kindergarten through sixth grade. The program begins at 2:00 p.m. and ends at 6:00 p.m. Students enter the program at the conclusion of their school day. KiX includes a balance of outdoor and indoor activities, play time and the opportunity to do homework with supervision. Registration forms must be completed and processed before a child is permitted to stay in KiX. Parents who wish for their child to participate in KiX using the drop-in option must contact the program director no later than 1 p.m. on the day they wish for their child to attend. Please see the registration form for complete details. Forms are available in the school office or on the website. To learn more, contact Heather Day at **912.638.9981 ext. 728** or heatherday@fredericaacademy.org.

FIELD TRIP DRIVERS

All drivers are to have proof of valid driver's license, proof of valid automobile insurance, and a Georgia Motor Vehicle Report for a three-year record. Volunteers who have frequent and regular contact with students, i.e. assistant coaches and/or chaperones on an overnight field trip, will be required to undergo a background check. The front office will assist interested volunteers in obtaining paperwork. A brief orientation is required in order to get clearance to drive a Frederica Academy bus. The Georgia Child Safety Passenger law requires all children under the age of eight to use a child safety or booster seat and to ride in rear seats.

LUNCH AT THE KNIGHT'S TABLE

The Knight's Table in Hamilton Hall serves a hot lunch entree each day plus a la carte options such as sandwiches, salads, snacks and more. The menu is published each week in the school's weekly e-newsletter communication.

Students in Pre-Kindergarten and Kindergarten eat within the classroom and may choose to order lunch through the Knight's Table enjoying the Build-Your-Own-Bento-Box or "Big Kid" Hot Entree Option. Order forms are provided and submitted weekly.

Beginning in first grade, students travel to Hamilton Hall for lunch as a class. Students in 1st through 12th grade may opt to enjoy the hot lunch entree, soup or salad of the day plus a la carte options. Middle and Upper School students may also purchase food during their morning break (10:00-10:25 am). Hot breakfast items, cereal, granola bars, yogurts, etc., are available at this time. Each child has an account to charge purchases. Parents receive a monthly statement from the school to settle account balances.

All students have the option to bring their lunch from home in lieu of purchasing the school lunch.

SCHOOL UNIFORMS & DRESS CODE

Students in Pre-Kindergarten through eighth grade are required to wear a school uniform. Lower and Middle School uniforms are available through Lands' End. Our Lands' End school code is #9000-6357-9. Once you select your child's grade level on the Lands' End website, the correct monogram will be automatically selected. Additionally, the Parent Association collects gently-used uniforms and hosts sales throughout the year.

For Upper School students, please refer to the Dress Code section of the Upper School Handbook posted on the website under Academics/Upper School. An Upper School uniform is anticipated for the 2022-2023 school year.

- Please remind your student to check the Middle School lost and found periodically to retrieve missing items

SCHOOL BOOKS, WORKBOOKS & SUPPLIES

In Lower School, all books and classroom supplies are provided through the Consumable and Technology fee. Beyond a child's bookbag, refillable water bottle, lunch box (if not ordering from the Knight's Table), and the occasional supply, all other classroom supplies are provided.

In Middle School, textbooks, novels, workbooks, online resource materials (if applicable) and binders will be provided by the school for each academic class a student attends. These items are covered in the Consumable & Technology fee; however, all textbooks must be returned at the end of the school year. Students are still responsible for purchasing school supplies from the Middle School Supply list located on the school's website under Academics/Middle School.

For Upper School, textbooks, novels, workbooks and online resource materials (if applicable) are provided through a student's Consumable and Technology fee with the exception of AP Course Book Rentals and workbooks (billed in November) and AP test fees (billed in January). All rented textbooks must be returned at the end of the school year to avoid being charged full cost. Beginning in 9th grade (or Algebra I), all students will need a TI-Nspire CX calculator for math classes.

To learn more about additional school supplies, please visit the Upper School Book/Supply List on Frederica's website located under Academics/Upper School.

MORNING MEETING

Lower School Morning Meeting is held each Friday of the school year at 8:10 a.m. This student-led assembly includes announcements, the Pledge of Allegiance, prayer, unique performances and special recognitions. A longstanding tradition, members of the Lower School in grades 3rd and 4th proudly lead this weekly meeting. Parents, grandparents and special friends are always welcome to attend!

PARENT PARTICIPATION

Frederica Academy loves parent participation! There are many ways to get involved through the Parent Association, the Booster Club, and volunteer opportunities in the Advancement Office and the Office of Admission.

PARENT ASSOCIATION

Parents should make sure that the school has a correct email address so that they may receive notices about Parent Association meetings and other Parent Association activities, including many volunteer opportunities. Parent Association also offers parent education workshops throughout the year. Please contact Martha Eckert at **908.963.4017** or **mleckert@me.com** to learn more about volunteer opportunities at Frederica Academy.

GRADE LEVEL PARENT REPRESENTATIVES

Each grade has a parent who acts as a liaison between the teacher(s) and parents. Parent representatives assist the teacher with coordinating classroom volunteers and events in each grade level.

BUDDY FAMILIES

New students in grades Kindergarten through 12th grade are assigned a buddy family prior to the start of the school year. The Buddy Family is an important function at Frederica Academy to help our new families make a smooth transition to our school. The Buddy Family serves as a resource for our new families to ensure that new students and their parents feel informed, welcomed and excited about their new school home.

SCHOOL WEBSITE

Frederica Academy uses the school's website (**fredericaacademy.org**) as the platform for internal and external communications. For example, athletic forms, health forms, school calendar, etc., can be found on the website. It is also the gateway for communicating academic and other information via FACTS to parents and students. The school will provide instructions to create an account and access school announcements, academic progress reports, news items and other useful information. It is imperative that parents create a FACTS account to verify all information is correct. Contact Ashley Lavallee at **912.638.9981 ext. 187** or **ashleylavallee@fredericaacademy.org** for questions regarding login information.

SCHOOL NURSE

Frederica Academy has a full-time school nurse on staff with a clinic located in the main administration building. Nurse Nikki Pope works with the teachers, counselors, coaches, and athletic trainer to provide students with the care and knowledge they need to achieve their highest potential for well being. If your child becomes ill during the school day, he/she will report to the nurse for further evaluation and care. If your child has any medical needs or any changes to your child's medical history during the school year, please report them to Nurse Pope and indicate it on their Student Health Information and Consent Form. Nurse Pope can be reached at **912.638.9981 ext. 492** or **schoolnurse@fredericaacademy.org**.

HEALTH FORMS

As required by Georgia law, Frederica Academy will need upon admission a Georgia School Certificate of Immunization Form 3231 and a Certificate of Ear, Eye and Dental Examination Form 3300. Both forms are available through the Glynn County Health Department or your local physician. The school nurse will also need information about a child's health history and allergies. You can provide this during online enrollment or by filling out the Student Health Information and Consent Form in the enrollment packet.

ATHLETICS/BOOSTER CLUB

An enriching part of the Frederica Academy experience is athletics. Middle and Upper School students are eligible to participate in all athletics beginning in 6th grade. 5th Grade students may participate in non-contact sports. After school mini-clinics are offered throughout the year for Lower School students. Many families, with children of all ages, attend home sporting events and enjoy meeting other Frederica families by becoming involved with the Frederica Knights Booster Club. Please contact Frederica Academy's Athletic Director, Carl Nash (**carlnash@fredericaacademy.org**), with any questions regarding athletics.

ATHLETIC SCREENING

Every student is required to complete a physical examination due to the rigorous activity expected from our physical education, athletics and field trip programs. This screening is also mandatory for all athletic participants. Once complete, each student-athlete will be covered to play sports for the entire school year. The required Pre-Participation Physical Exam (PPE) packet can be downloaded from our website and completed by the medical professional of your choice. It will be required prior to your first day of class for grades fifth through twelfth. The FA Athletic Department, in conjunction with Southeast Georgia Health System, conducts a mandatory Pre-Participation Physical Exam (PPE) for students in grades fourth through eleventh during the month of April in anticipation for the coming year's athletic season.

SUMMER READING

Students in rising first through twelfth grades are required to complete summer reading. Visit **fredericaacademy.org/academics/summer-reading** for your child's summer reading assignment.

SUMMER PROGRAMS

Frederica Academy's Summer Programs incorporate meaningful learning experiences within our community to enrich the development of mind, body and spirit.

Focusing on individual learning strategies, our Summer Programs are a great way to review, maintain, and master skills in a variety of subjects and activities. From chess and robotics to storytelling, there are a variety of offerings to expand a child's mind and skill sets. A creative classroom environment makes these programs the perfect balance between discovery and summer fun.

Additionally, our Summer Programs enable athletes to learn and apply the principles of teamwork, discipline, and sportsmanship in a safe and productive environment. Offerings range from football and cheerleading to golf and tennis. Each of these programs are grouped according to age and skill level so that every student-athlete excels.

The offerings of our summer programs extend to incorporate experiential learning through art, music, or other interests specific to your child's personality. Campers dive into hands-on exploration and discovery through themed sessions such as pottery, makerspace, cooking, princess pursuits, and more.

Instructors are selected based on their passion for the curriculum and themes found within the program(s) they facilitate. We welcome all children of the Golden Isles and visitors to our community to register for these enriching Summer Programs. Please visit our website at **fredericaacademy.org/school-life/summer-programs** to view summer program offerings. For more information, please contact Heather Day at **heatherday@fredericaacademy.org**.

SPECIAL EVENTS

CARPE VITAM - OCTOBER 4-8, 2021

Every year, fifth, sixth, seventh, and eighth grade students spend three to five school days off campus experiencing experiential learning. Students get to know classmates by sharing unfamiliar encounters in a new and different environment. The English translation of the Latin term "Carpe Vitam" is "seize the life," and that is exactly what we intend for each student to do on these trips!

Fifth grade will travel to the New Ebenezer Retreat Center in Rincon, Georgia, where they will discover, learn, and engage during an Ebenezer ALIVE! adventure. This experience focuses on Georgia heritage and history, character education, and natural/environmental sciences.

Sixth grade will travel to Rock Eagle 4-H Center in Eatonton, Georgia, to gain a greater awareness of themselves as well as the natural world around them. Students will experience team building and outdoor adventures while learning the ecology and living history of our state.

The seventh grade will travel to Honey Creek Retreat Center in Waverly, Georgia. The students will experience day trips to find out more about the environment and themselves by providing teaching activities that take place in the outdoors, our living classroom.

The eighth grade will visit Washington, D.C., and experience our nation's Capital. Their tour aligns with our eighth grade curriculum and lets our students experience history and government first-hand.

The Middle School will host information sessions to share trip details. For more information, please contact Middle School Director Leigh Toomey at **912.638.9981 ext. 755** or **leightoomey@fredericaacademy.org**.

JINGLE BELL CELEBRATION - DECEMBER 2, 2021

Please plan to help light the Frederica Christmas Tree and begin the holiday season with cookies, milk and school spirit at its finest. This festive event offers fun for the entire family. The greater Golden Isles community is also invited to attend. Additional details will be shared in November.

MAY DAY/GRANDPARENTS DAY/HONORS DAY - APRIL 29, 2022

Each year, Frederica hosts a special day to honor our grandparents and special friends. Many students participate in the May Day ceremony including all Lower School students and members of the Middle and Upper School. Upper School will hold Honors Day on this day as well. This is a dress-up day at Frederica Academy, and school concludes following the May Day festivities. Invitations will be sent to Frederica families and grandparents.

DERBY DAY - MAY 7, 2022

Our annual signature fundraiser is held on the first Saturday in May in conjunction with the Kentucky Derby. It is organized by the Office of Advancement. This event is open to the public and is a great way to become involved, support the school through sponsorships and meet other parents. Many parent volunteers work on the planning and execution of this special event, which benefits our school in significant ways. Please save the date!

SUPPORTING FREDERICA

Tuition revenue at Frederica Academy, consistent with other independent schools, only covers a portion of the school's actual operating expenses each year. At Frederica, tuition only covers about 80% of the operating budget. The balance of the school's operating revenue comes from donors who support the school's mission. Money for capital projects and other long-term investments does not come from tuition revenue — it comes from donations the school receives from individuals or private foundations.

Donations to Frederica Academy are classified as restricted gifts or unrestricted gifts. All of these gifts are voluntary and, in almost all cases, are charitable contributions. Therefore, they may be tax deductible.

An unrestricted gift is a donation that is not tied to a specific investment. In other words, the school has the discretion to use the money as part of its operating budget. The best example of an unrestricted gift is a donation to the Annual Fund. Each year, money from the Annual Fund helps keep the school operating and is the critical difference in helping make tuition more affordable for more Frederica families. Without Annual Fund revenue, Frederica would be forced to increase tuition, cut programs or increase student-teacher ratios.

Because the Annual Fund is such a strategic priority, large donors and foundations use the school's Annual Fund performance as the primary indicator of stakeholder confidence in the school. Accordingly, participation in the Annual Fund is very important — especially parent, faculty and trustee participation. All parents are strongly encouraged to participate and to participate at a level of their choosing. No gift is too small, and every gift is truly appreciated.

Restricted gifts can be given for specific line-items within the school's operating budget. For example, a donor may underwrite the Carpe Vitam program or give money to fund other school projects, programs or initiatives of particular interest to the donor. Additional restricted gifts are tied to capital projects (new buildings or campus improvements) or other long-term investments (endowment funds).

For additional information, please contact John Pope in the Advancement Office at **912.638.9981 ext. 102** or **johnpope@fredericaacademy.org**.
