Optional Summer Reading Suggestions

Our goal:

Our goal is to have every student engage in reading over the summer. We encourage each family to set their own reading goals for the summer that fits their schedule but allows for some reading each day.

Why are these lists optional?

While these lists may be a helpful place to start, they may not adequately reflect every child's interest. We encourage each family to find the right fit for their children based on their interests.

FVRL: Summer Reading Club

The Fraser Valley Regional Library offers a summer reading club each summer. This club is open to all ages including adults. This could be a fun summer activity to do as a family. Log your reading to earn badges and win prizes.

This summer they have made their club available online via the Beanstalk App so students can track their reading online even if they are travelling.

To find out more and to register please visit:
