Parents/Guardians,

Please find our classroom supply lists for the 2021-2022 school year below. Supplies will not be shared by students, so each student will need their own supplies. If you need assistance with supplies, do let the office know and we can assist in providing them to you. There is still a high likelihood that we will have at least one split class in the fall. Families will be notified if you will be in the split class and which supplies should be purchased.
