Dear Parents/Carers

Whole school fun day July 9th

As you are aware, the last 16 months have been really challenging for everyone due to the Covid 19 pandemic, and for many different reasons. As a school, we intend to have a whole school fun day on **Friday July 9th** involving all the children at St Peter's as a treat and a well done for all that they have had to cope with. Our thanks must go to the SPSA for allowing us funding for the day's activities and hopefully, it will be a day of joy and fun for everyone.

All children will be asked to wear mufti - the brighter the better. Please be aware that children may be participating in sports activities and jumping on bouncy castles and so **appropriate clothing and footwear must be worn.**

The children will be in their year groups throughout the morning to ensure Covid safety is maintained. In the afternoon, we will be gathering on the school field for a whole school 'socially distanced' picnic. **Please can all parents provide their child with a small picnic to eat with the rest of the school in the afternoon.** This is not in place of a school lunch and we ask that you remember that picnics should be nut free and healthy. Picnics will need to be clearly labelled and separated from packed lunches.

Please be aware that we will be eating outside and fingers crossed for a sunny day. For this reason, please avoid chocolate, as it will likely melt. Unfortunately, we are not able to invite parents to this event, due to Covid safety.

Fingers crossed for a sunny day and lots of fun to be had by all.

Kind regards,

Caroline Barriball & Samantha Sandle
Co-Headteachers
