

9th Grade Algebra Summer Packet 2021 Delta Math

New students who have NOT used Delta Math before must create an account.

1. Use Google Chrome and go to www.deltamath.com
2. Choose Create Account pull-down in the upper right corner and then select **Students**
3. Enter your teacher code: **381068**
4. Choose the **Algebra 9th Grade** course from the pull-down list.
5. There will be multiple small assignment parts posted in this course which you should complete before the first full day of school. Each assignment has a due date on Delta Math of 8:00 am on August 12.

Students who have used Delta Math have already set up an account. To add a new subject:

1. Use Google Chrome and go to www.deltamath.com and login to your account.
2. Choose the Tools option in the upper right of the screen.
3. Near the bottom of the screen choose Add Teacher to enter the code of your new teacher. Teacher code: **381068**
4. Choose **Algebra 9th Grade** course from the pull-down list.
5. There will be multiple small assignment parts posted in this course which you should complete before the first full day of school. Each assignment has a due date on Delta Math of 8:00 am on August 12.

You should spend approximately 1 hour each week on this summer assignment to complete it all by the first day of school.

Feel free to contact me via email: hsnyder@trinitywildcats.com or text: (334) 467-6556.

I usually respond within 24 hours if you message me during the work week. If I do not respond, I likely didn't receive your message so please kindly resend it.

An assessment will be given the first week of school on the concepts covered in this Delta Math assignment.

Have a wonderful summer! I am so excited to see you and teach you in the fall. Go Cats!

For His Glory,
Heather B. Snyder
