

Summer Reading Books for School Year 2021-2022

There are no required ISBNs for the English novels so you may purchase any edition. We partner with MBS Direct as our online book provider. Our website will be open for summer reading book purchase on May 3, 2021. The books listed below will be available on the MBS Direct website, though you may purchase your book from any source. If there is a price listed opposite the name of the book, there are most likely used copies available in the Catholic High School Bookstore once school is over.

English
