Details of the workshops

Category 1 Workshop **Making the PYP Happen: Implementing Agency**

Recommended Audience:

All Primary Years Programme (PYP) teachers (early years, Primary Years, new to PYP and with some experience of the PYP).

Purpose of the Workshop

This workshop invites you to inquire into your own teaching practices and reflect on how you can develop the capabilities of a PYP teacher. By exploring the PYP framework, you will connect how voice, choice and ownership is recognized and developed in all members of the IB community. You will be supported in your understanding of learning and teaching in a transdisciplinary, concept-driven curriculum and how to design this in your own school context

NB: Prior to the training, you might be contacted to bring any required material for the workshop.

Category 2 Workshop

Mathematics: Analysis and Approaches (English)

Recommended Audience:

Diploma Programme (DP) subject teachers who have prepared students for at least one DP exam session in that specific subject. Educators should enroll in a category 2 workshop in their particular subject area.

Purpose of the Workshop

This workshop is designed for participants who are keen to improve the teaching and learning experience in the DP classroom. The workshop will enable participants to:

- unpack elements of the IB Programme standards and practices as a guide for decisions regarding delivery of the subject
- review and share strategies that support successful collaborative planning and reflection which deepen links with the DP core—theory of knowledge (TOK), CAS and EE
- examine the connection between their chosen subject, the approaches to teaching and learning and the learner profile while promoting international mindedness
- create teaching and learning strategies that develop self-regulated and metacognitive learners
 - design appropriate inquiry-based lessons and activities for their subject
 - discuss strategies for addressing assessment-related challenges in the chosen subject
 - understand how to arrive at a judgment using a common assessment task and published criteria
 - design formative learning engagements that will equip students with the required factual, procedural and conceptual knowledge that support the summative assessment task(s)
 - discuss and share strategies to promote academic integrity
 - interact with and explore the TSM and subject-specific teaching and learning resources on the programme resource centre and in the programme communities throughout the curriculum life cycle
 - reflect on the teacher's role in programme evaluation, particularly how to highlight horizontal and vertical in-school planning

Category 3 Workshop

The Role of the Coordinator

Recommended Audience:

Experienced coordinators from authorized IB World Schools

Purpose of the Workshop

This workshop is designed to help coordinators implement the programme in a manner that supports the IB mission statement and philosophy, while at the same time developing programme standards and practices. The workshop looks at the role of the coordinator in documentation, organizing professional development opportunities, and managing complex relationships, resource management and communication with a range of stakeholders. All of these responsibilities are integral to the successful implementation of the programme. The workshop will provide opportunities for reviewing new and existing publications, curriculum mapping, policy writing and reviewing the guidelines for verification and evaluation. You will also become familiar with online systems, such as International Baccalaureate information system (IBIS) and the programme resource centre, which are vital to the role of the coordinator. The workshop will model collaborative leadership strategies and explore ways to effectively manage change.

NB: Prior to the training, you might be contacted to bring any required material for the workshop.

Category 3 Workshop

Concepts and Inquiry in the DP/CP

Recommended Audience:

Diploma Programme (DP) teachers who are new to teaching through inquiry and concepts, and those who would like to learn more about planning lessons with concepts and inquiry central to students' learning experience.

Purpose of the Workshop

With the introduction of approaches to teaching and learning in the programme model, this workshop provides a forum for DP teachers to develop their understanding of the transferable and universal nature of concepts and inquiry so that they take a more constructivist approach to teaching in the DP classroom. Throughout the workshop, you will be exposed to strategies that challenge practices of focusing on isolated facts rather than the underlying conceptual connections. You will be guided through the process of backward planning through learning opportunities, actual content of courses and students' skill development. Activities will be structured so that you model a practical inquiry appropriate for the Diploma Programme level using student-generated guiding questions. The workshop will be underpinned by current research in the education field through guided reading with opportunities to discuss and reflect on understanding. There will also be an opportunity to work on individual unit plans and gain feedback from other participants so that you leave the workshop with a practical solution for improving classroom practice.

NB: Prior to the training, you might be contacted to bring any required material for the workshop.

General Schedule for IB workshops

Friday, September 3

8:00 – 10:00	Session 1
10:00 – 10:30	Refreshment break
10:30 – 12:30	Session 2

Mode of Payment

For payment of fees, kindly contact the Educational Resources Center at:
Tel: +9611364016
Email: erc@ic.edu.lb

Registration and Cancellation Policies

Registration will be confirmed only upon receipt of payment.
Participants should not make any travel or hotel arrangements until their registration has been paid for and confirmed in writing.

International College reserves the right to cancel any workshop if sufficient bookings are not received (and paid for) at least 2 weeks prior to the workshop starting day. If IC cancels any workshop, registered participants are entitled to a full fee refund.

If a registered participant decides to cancel the registration, IC must be advised by email to erc@ic.edu.lb by Thursday, August 19, 2021. Cancellations received after August 19 will be charged the full workshop package. “No shows” at the workshop will also be charged the full workshop package.

Accommodation

Participants are responsible for making their own accommodation arrangements.

Participants must settle accommodation bills directly with the hotel. IC does not handle payment for hotel bookings. When making the hotel reservation, please mention the **IC Conference** to benefit from the special rate.

In the case of cancellation, the cancellation policy of the chosen hotel will apply.

All the hotels listed below are fifteen minutes away from Beirut International Airport.
