

SCHOOL-BASED HEALTH CLINIC

Madrona Heights | SKSD

2150 Fircrest Dr SE, Port Orchard

Fridays 7:30 am – 4:00 pm

(Not offered in July)

Services offered:

- Evaluation and treatment of common health problems
- Vaccines
- Sports physicals
- Annual well-child exams
- Preventative health care & health education
- Mental health (help with emotional, social or behavioral concerns)
 - Solution Focused Training, Cognitive Behavioral Therapy, Student Crisis, and Chemical Dependency Coordination Services
- Coordination Services & referrals to other health care providers as needed
- Health insurance enrollment assistance
- Assistance for families seeking a primary care provider and a health care home
- Confidential services

School-Based Clinic Providers:

Jaclyn Savino, LMHC

Jackie has years of experience working with individuals in various platforms. She enjoys providing a safe space where patients can identify their goals, and work with to develop skills, understand their barriers, and achieve overall wellness. Jackie helps patients achieve this by utilizing various therapeutic modalities specific to each patient's needs.

Haylee Hanthorn, SUDPT

Haylee's experience is in substance use disorder counseling, where the goal is to provide individualized care. Her focus is on solution-based care, and working collaboratively towards client goals.

Kailey Redding, PA-C

What brought Kailey to PCHS is our mission to provide accessible, high-quality health and wellness services to the diverse communities we serve. She enjoys working collaboratively with patients to optimize their current health and to prepare them for a healthy future.

Appointments by walk-in, phone or email:

(360) 377-3776 or sbhc@pchsweb.org
