

Dear Parents and Carers 28.06.2021

Welcome to week 4 of Term 6!

As the weather continues to get warmer, please can we ensure that all children are coming to the academy with a sunhat to help keep them safe during the day when outside.

This week Book Fair will be here on Wednesday 30th, please order books online. All details are on Parentpay.

Important dates: 6th and 7th July Parents' consultations, 8th July Games Day.
Please see Parentpay for further details.

Maths

This week in Maths we will begin to think about fractions. We will start by halving shapes and determining what half of a shape is. We will then move onto halving an amount of objects.

English

This week we will continue our learning on our key text 'The Bee who Spoke'. We will be thinking about what we already know about bees and what we would like to find out. We will then use this information to create some facts about bees.

Learning Journey:

This week in Geography, we will be thinking about the similarities and differences between the Arctic and the Antarctic. We will use maps to help us.

Sounds Write

This week we will continue looking at the extended code.

We will continue to explore the /ue/ sound and the different ways to spell the sound; ue, ew, u and u_e.

Please could you practice the following words based on our phonics this week. Look at the spellings with the 'ue' sound (ue, ew, u and u_e)

Statue, knew, user, cube, argue, few, united, huge.

Can you think of other words with this sound?

ROBSACK WOOD
PRIMARY
ACADEMY

Reading at Home

All pupils can access Bug Club at anytime. Bug Club is a website with online books to read. Go to <https://www.activelearnprimary.co.uk/>

Your child's username is the first four letters of their first name and the first four letters of their surname. All passwords are read123 . School code xcjr

To ensure that your child is making good progress with their reading, it is important that they can do more than just read the words in the book. Their comprehension of what is happening in their reading book is very important.

Here are some example questions below to try at home:

- What can you tell me about the story so far?
- What is your favourite part of the story? Why?
- What is the title of the book?
- Can you describe what happens at this part of the story?
