- Stay physically distanced

## If using carpool

- Drive slowly into the cutout on Hinman Ave and get in line. Do not block Dempster St.
- Do not park in the cut out; if you arrive earlier than 8:35 you will be asked to come back
- Have your child stay in the car seat until an assistant gets them out.

## If walking

- At arrival, wait in line to drop your child at the gate on Hinman Ave.
- Please maintain a 3-foot social distance.
- Keep your mask on until after you leave the school area.

## For everyone

- Toddlers need to be dropped off by a parent or caregiver, no older siblings.
- If your child refuses to be helped by the assistant, park your car and walk to the playground gate
- If you have siblings in Toddler and Early Childhood:
  - At arrival — drop off the older sibling first, then the toddler.
  - At dismissal — pick up your toddler first.
