

AP Commitment and Fees

It is your responsibility as an AP student to make yourself familiar with the AP fees and deadlines. At this time, we are hoping to have in class AP exams in the spring. If there are any changes, we will let students/parents know.

You are currently registered in an AP course this year. Taking an AP course and exam is a collaborative effort between you the student, your parent/guardian, and the school. Each party plays a role and must make the commitment to meet the expectations noted below.

The Student agrees to organize his/her time and effort to successfully complete the AP course in which he/she is enrolled. If a student falls behind in class work, the student will be expected to complete assignments, readings and projects outside of class time as allowed by AP class policy. The student will take the AP Exam on its scheduled date and time as outlined by the College Board.

The Parent/Guardian agrees to be familiar with and accept the AP course requirements and policies, and to help his/her child organize study time in support of class assignments. The parent/guardian agrees to purchase required materials and to pay the exam fee as determined by the AP Coordinator. If the parent/guardian is unable to meet these requirements for financial reasons, they will contact the AP Coordinator immediately.

The School (AP Teacher and AP Coordinator) agrees to provide rigorous instruction and challenging course content as described in the *AP Course Description*. The school will provide the student with a copy of the *Bulletin for AP Students and Parents* and agrees to administer the AP Exam in a fair and secure environment as outlined in the *AP Coordinator's Manual*.
