

RESOURCES FOR STUDENTS WITH SPECIAL NEEDS:

ELA:

-Through the special education parent library at Watertown we have a limited number of physical resources such as Hooked on Phonics kits (including leveled readers), Touch Math workbooks, flash cards, workbooks, Wilson Phonics/Fundations Home Support Packets. Before requesting, please consult your child's special education teacher on the appropriate levels for materials. If your child's special education teacher is unavailable you can contact Shannon Whitney at swhitney@watertowncsd.org.

-Scholastic Learn at Home-free day-by-day projects to keep kids reading, thinking and growing. If you have questions regarding your child's level please e-mail the special education teacher.
