

John Sedgwick Junior High
EMERGENCY STUDENT RELEASE PERMISSION

Student(s) Last Name _____ First Name _____

I have reviewed and discussed with my family our emergency plan. I understand that in the case of dire emergencies such as earthquake, fire, etc., students may be required to remain in the care of the school until it is deemed safe that children can be released. At that point, children may be released only to properly authorized parents and/or designees.

Parent/Guardian (please print name)
