

Hawk Family News November 15, 2020

Dear Families,

I'd like to express my appreciation for your efforts to support your child and SKSD staff during our week of transitioning student placements that will position us for the eventual shift to in-person learning during the school year. While we are disappointed about the delay in plans to do so, we also believe this will occur in the future, and we're ready!

Supply Pick Up- Wednesday Nov. 15: As I mentioned before, our supply pick up will be changing during the winter months. This Wednesday, we will have supplies on tables under the walkway toward the main entrance doors for self-service pick up. Your child's materials will be located on a table identified by their grade level/teacher. SK Online students- you should receive communication about whether/not there are materials to pick up this coming Wednesday from your child's SK Online teacher. Hours for pick up are as **10:30 AM -5:30 PM.**

Upcoming Dates:

Wednesday, November 25- Half Day- No classes after 12:40 PM

Thurs/Friday November 26-27- No school

In closing, I'd like to share the logo below, which was created to recognize that while we tend to consider ourselves one distinctive school, we are interrelated to one another. Whether it is through open enrolled students from a number of schools or the current SK Online classes that have students from a variety of schools in the same classroom together, we are all part of something greater, we are SKSD.

Sincerely,

Brenda Ward, Principal
