

## Hidden Creek Elementary

September 20, 2020

### Hawk Family News September 20, 2020

**Have You Met Ace?** The photo above is of our Hidden Creek Hawk, who was named by students two years ago during a school wide vote. You will see Ace once in a while, and we are so happy when our mascot flies home and joins us for special occasions.

**Supplies/Materials Pick Up September 30 5:00-6:00 PM: One week from this coming Wednesday**, we will be having a supplies and materials drive through pick up. There will be items that students will need for future weeks of instruction while we are in remote learning. We are planning to do this approximately every 3 weeks, and we'll set another date for sometime in October. We will send more information about traffic logistics a little closer to the September 30 pick up date, based on weather conditions at the time.

Stay safe and healthy, everyone.

Brenda Ward, Principal
