

Tutor List 2020-2021 Updated 6.24.2021

This list contains names of people who have indicated they are eligible for tutoring. This list does not constitute a recommendation by the Beaverton School District. **Below have not been interviewed by the District regarding the qualification for tutoring. Similarly, the District does not perform any criminal background checks on tutors found on this list, unless they are currently employed by the Beaverton School District. Families wishing to employ a tutor from this list are strongly advised to do their own screening regarding references, qualification, and criminal background checks.** This list is updated and made available by the Teaching and Learning Department. It is also available on the District's Intranet under "Departments", "HR", "Licensed Staff" and under "For Parents". Please contact the school secretary or through the District's Teaching and Learning Department. Please be advised of District Policy GCQAB regarding tutoring for pay. Tutoring is not allowed to provide their services in the school building during the time school is in session. Finally, a teacher may not tutor their own students for remuneration. To add to the tutor list, please email HR-Sub-Management@beaverton.k12.or.us. Please provide your full name, contact information and subjects/grades you
