<p>4. Guidelines Pol. 218, 815</p>	<p>Personal Electronic Devices – are Electronic Devices that are not owned by the District.</p> <p>Silent Use – is the use of Electronic Devices, including Personal Electronic Devices that make no sound, are inaudible, and are speechless. Examples of Silent Use include texting, electronic messaging, and the use of headphones with the volume not being audible to others. No device ringing, ringtones, or sound effects are permitted at any time.</p> <p>Student use of electronic devices is permitted only according to the terms outlined in this policy. The Board permits the use of electronic devices by students as designated by a member of the professional staff or administration during instructional time. The Board further permits electronic devices for nonverbal, non-disruptive use during non-instructional times in locations designated by the administration. All use will be in line with the expectations set forth in student handbooks. Permitted use of electronic devices may vary by building and/or by individual class rooms.</p> <p>The Board authorizes the Superintendent or designee(s), to define the educational value and permit or place restrictions on the possession or use of any electronic devices.</p> <p>The District shall have the right to restrict Electronic Devices during school evacuations as necessary, for the safety and security of all individuals.</p> <p>If Personal Electronic Devices are loaned to or borrowed and/or misused by non-owners, the owners of the Personal Electronic Devices are jointly responsible with the non-owner for the misuse and/or violation of district policy, regulations, rules, or procedures.</p> <p>Use of electronic devices for photography and/or recording may only occur when authorized by the Building Principal, District administration, or designated professional staff member for the purposes of participation in educational activities.</p> <p>The Board prohibits all other photography, audio recording, and/or video recording, via electronic devices by students during the instructional day in District buildings, on District property, and when engaged in a school-sponsored activity.</p>
<p>Pol. 249</p>	<p>The Board prohibits students from taking, storing, disseminating, transferring, viewing, possessing or sharing obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or other means, including, but not limited to, texting and emailing. Because such violations may constitute a crime under local, state and/or federal law, the District shall report such conduct to local, state and/or federal law enforcement agencies. Administrators shall confiscate devices implicated in this electronic data transfer and immediately contact</p>

<p>Pol. 815</p>	<p>law enforcement when possession or distribution of such images is discovered or reasonably suspected. Audio and video taping shall be consistent with applicable state and federal laws. Recording anyone without their knowledge and permission is prohibited and may be punishable under state and federal laws.</p> <p>In addition, the Board prohibits students from accessing a wireless, unfiltered connection to the Internet on a personal electronic device at any time while on school property or while engaged in school-related activities. The District will provide filtered Internet for student use.</p> <p>Connection to the Internet while present on school property or a school-related activity via anything other than the District's network is a violation of this policy and the Acceptable Use Policy.</p> <p>In accordance with this Policy, Electronic Devices, including Personal Electronic Devices, may not be used in unauthorized areas or as determined by the school administration as follows:</p> <ul style="list-style-type: none">• The Board strictly prohibits possession by students on school grounds, at School District-sponsored activities, and on buses or other vehicles provided by the School District any non-School District-owned laser pointers, or laser pointer attachments, and any Electronic Devices, including Personal Electronic Devices that are hazardous or harmful to students, employees and the School District. These include, but are not limited to, devices that control/interfere with the operation of the buildings' systems, facilities and infrastructure, or digital network. No exception or permission may be authorized by the Principal, or designee, or anyone, for students to possess or use such devices.• During tests, examinations, and/or assessments, unless the teacher authorizes such use. When Electronic Devices, including Personal Electronic Devices, are not permitted to be used during tests, examinations, and/or assessments they must be stored in closed items such as pocketbooks and book bags, and may not be visible or turned on.• To cheat, engage in unethical conduct, and threaten academic integrity.• To access and/or view Internet websites that are blocked by the School District. Examples include, but are not limited to, social media sites, and "inappropriate matter" as defined in the School District's Acceptable Use Policy and Social Media Policy.• To invade the privacy rights of any student or employee, violate the rights of any student or staff member, or harass, threaten, intimidate, bully or cyberbully any student, employee, or guest, or promote or engage in violence. Actions include, but are not limited to, taking an individual's photo without consent, recording an
