

## What we offer

Clermont Elementary has programs, activities, and plans for the meaningful involvement of our families with Title 1 Funds. Families play an important part in a child's education and we encourage you to become more involved as full partners, in appropriate decision making and on advisory committees to help in the education of your child. Annually we provide a Parent/Student/Teacher Compact and a Parent Involvement Plan. Your input in developing and or / revising is very important.

Principal Jeffery Williams

Vice - Principal Kevin Schichtel

Guidance Michele Aklan

Literacy Coach Karrie Anderson

Instructional Coach

Clermont  
Elementary School

2021-2022

## What is Family Engagement?

Families play an important part in their child's education. Engaging families in the education process is essential to improving academic success for students. Public Law 1-7-110 requires that all Title 1 schools

1. Hold an annual meeting for parents to inform them of the Title 1 program.
2. Involve families in developing, writing and/or revising the Parent Involvement Plan (PIP) school- parent compact
3. Provide trainings and workshops to build capacity with families and staff to raise student achievement and encourage active participation of families in their child's education.
4. Utilize a percentage of the school Title 1 allocation to support the parent involvement program. The School Advisory Council provides input in determining how the Title 1 funds are used.

## PARENT EVENTS

Come see all that CES has to offer by attending these family fun events.

- Parent /Teacher conferences
- STEM/ Science Night
- Math Night
- Reading Night
- Media Center Night
