

FALL SPORTS INFORMATION  
2021-2022 SCHOOL YEAR

Due to spring sports running later into June and COVID, we will not be having an in-person code of conduct meeting for fall sports. The in-person code of conduct meeting will most likely return for winter and spring sports later in the year. Families will need to watch the video and sign the form for the code of conduct online. This will be part of the online sport registration process that will open **July 12th**.

Sports physicals for the 2021-2022 fall sports season will need to be dated past **4/1/2020** for this school year. If you need to know the date of your student-athletes last physical, please contact Lynn Werderits at [werdely@lodischoolswi.org](mailto:werdely@lodischoolswi.org).

All fall sports will conduct a player-parent meeting either in person or virtually prior to the start of the season. Some sports have set this date already and it is shared below along with the email for the head coach and the earliest start date for practice. Please contact the head coach if you have any questions.
