- All classes for UC/CSU Admission Eligibility must be in the College Prep category (Prep, Honors, AP). For a complete list of current SBHS courses that meet the above requirements for UC admission visit <http://doorways.ucop.edu>.
- We strongly encourage students to take Honors, Advanced Placement (AP), and SBCC Dual Enrollment classes whenever possible. SBCC Dual enrollment classes offer both High School and College credit.
- Please see your counselor for detailed information on the above requirements and to finalize your personal High School Course Plan.
