

STUDENT DRESS CODE AND APPEARANCE					
Students are expected to wear their uniforms neatly and with pride. The school uniform is compulsory for all students. Please note that many parts of this section may be relevant to each child, depending on year group.					
<p>The School Mission and Values recognise the need for professionalism and the importance of building a community of learning through a shared identity and this School Dress Code is written in that spirit. The School aims to be contemporary in outlook while holding true to the Shrewsbury traditions of a successful community of learning.</p> <p>It is an expectation that all students wear a school uniform chosen from the relevant list provided in this Policy whenever the student is at School or when representing the School in a wider context outside the School.</p> <p>This Policy also outlines the rules which apply to hairstyles, jewellery and make-up.</p>					
Any individual requests to wear items other than those listed in this policy must be authorised by the relevant Vice Principal.					
HAIRSTYLES: Hairstyles should avoid any excess of fashion or colour. In Early Years, long hair should be tied back.					
MAKE-UP: Where students choose to wear make-up, it must be discreet and avoid any excess of fashion or colour. No make up in EY please.					
JEWELLERY: Students may wear one plain stud in each earlobe only.
