

TRANSPORTATION TO AND FROM NEW YORK AREA AIRPORTS AND NEW YORK CITY

I. TO AND FROM AIRPORTS ...

STATE SHUTTLE offers 24 hour service between campus and New York area airports. The school rate (including gratuity) is as follows:

- * NEWARK AIRPORT - \$ 120.00 *Per Person*
- * LAGUARDIA AIRPORT - \$ 220.00 *Per Person*
- * JFK AIRPORT - \$ 220.00 *Per Person*

(Due to fluctuating gas prices, these rates are subject to change during the school year.)

Arrangements for State Shuttle pick up are coordinated by the Student Life Office at Blair ... (908) 362-3120. Students need to register their travel itineraries with the Student Life Office at least 24 hours in advance of pick-up. No payment is required at the time of the trip; billing will be handled by Blair's Business Office. **Higher rates and a billing surcharge are likely for those making reservations directly with State Shuttle instead of working through the Student Life Office.**

Students arriving at the Airports should pick up their baggage and then call the shuttle dispatcher at **1-800-427-3207** to arrange curbside pick-up.

At vacation times, the school will charter a bus to Port Authority and Newark Airport (\$40) if there are sufficient sign-ups. The chartered bus will depart from Blair between noon and 12:30pm... flights departing out of Newark after 3:30pm are best to utilize the chartered bus. Students whose travel itineraries don't coincide with the time of the chartered bus will need to travel via State Shuttle.

II. TO AND FROM NEW YORK CITY ...

MARTZ TRAILWAYS buses run between Port Authority and Stroudsburg/Delaware Water Gap (20 minutes from campus) several times each day. The school provides van service to and from Stroudsburg/DWG (\$18) ... **students must sign up in the Student Life Office for transportation to/from Stroudsburg/DWG.**

Students or parents with questions about these arrangements may call the Student Life Office.
