

THESE ARE RICHLAND SCHOOLS

Community Report
2021

Our Strategic Goal

**TOGETHER
WE EDUCATE
EVERY STUDENT
FOR SUCCESS**

- We manage resources in an open, accountable manner to assure sustainable value and a safe, secure, nurturing environment.
- We hire and develop highly qualified staff who will work with students, families and the community in collaborative teams.
- We challenge students at all levels with rigorous, rich skills in reading, writing and math along with access to a broad and deep curriculum in the arts and humanities, math and sciences, trades and technical skills.
- We support individual needs, goals, interests, cultures, skills and abilities. We nurture well-rounded students, attending to their hopes and dreams, their concerns and challenges. We will teach the work habits, study skills, character, creativity and attitudes needed for lifelong learning.
- We use multiple measures and evidence of outcomes of significance to set goals, implement plans for improvement, monitor progress and celebrate success.

Richland School District will provide an in-person learning experience for the 2021-22 school year. District and school leaders, with input from staff and the community, developed Our Road To Recovery to help students and families return to school. This plan includes additional and enhanced services to address learning loss, mitigate potential inequities facing students and their families and training for staff on how to connect and support students who may be struggling.

Supporting Students

Caring For The Whole Child

From enhancing how we teach social-emotional skills to providing immediate intervention for students in crisis, our Mental Health Assistance Team (MHAT) is coordinating efforts and strategies among the district's school counselors, school psychologists, school nurses, school social workers and other staff to support student mental health and resources for families.

Connecting The Community

Our 1:1 Technology Initiative ensured every student had their own digital device for learning at the beginning of the 2020-21 school year. Community partnerships and new instructional technology continue to connect students and families with schools and help teachers provide instruction.

Watch how technology helped teachers blend in-person and remote instruction

Building Inclusive Classrooms

The district is at the beginning of a five-year strategic plan developed in partnership with its Special Education Task Force to improve outcomes for students receiving special education services. Current work is focused on raising awareness among staff, families and the broader community of instructional strategies, such as inclusionary practices and universal design for learning (UDL).

Providing Choice

Pacific Crest Online Academy

Launched in the fall of 2020, Pacific Crest Online Academy is Richland School District's fully online K-12 school. Its mission is to deliver flexible, dynamic, and relevant online learning where every child receives high quality instruction in a teacher-directed and student-centered environment.

pacificcrestonline.rsd.edu

Three Rivers HomeLink

Three Rivers HomeLink serves students in K-12 from 12 Mid-Columbia school districts. HomeLink operates as a Parent Partnership Program meeting the unique needs of families and providing diverse course offerings for students.

threerivershomelink.rsd.edu

River's Edge High School

River's Edge High School offers small class sizes, project-based learning, individualized instruction and more for those seeking an alternative to a traditional high school.

riversedge.rsd.edu

Tri-Tech Skills Center

Juniors and seniors may attend Tri-Tech Skills Center, which offers courses in nearly 20 technical and trade disciplines, from automotive technology to veterinary medicine.

Non-Discrimination Policy

Richland School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression, gender identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. The following employee(s) has been designated to handle questions and complaints of alleged discrimination:

- **Civil Rights Coordinator:** Galt Pettett, Galt.Pettett@rsd.edu or 509 967 6009
- **Title IX Officer:** Todd Baddley, Todd.Baddley@rsd.edu or 509 967 6002
- **Section 504 Coordinator:** Brian Moore, Brian.Moore@rsd.edu or 509 967 6003

You can report discrimination and discriminatory harassment to any school staff member or to the district's Civil Rights Coordinator, listed above. You also have the right to file a complaint (see below). For a copy of your district's nondiscrimination policy and procedure, contact your school or district office or view it online at www.rsd.edu.
