

COVID-19 RELIEF FUNDS TECHNICAL ASSISTANCE

WANT TO MAXIMIZE YOUR DISTRICT'S ESSER FUNDS?
The School + State Finance Project can help!

OUR SERVICES INCLUDE

- Developing data strategies to understand and mitigate impacts of COVID-19 on district operations
- Identifying solutions and best practices for addressing equity and learning loss concerns
- Crafting communication plans and materials for engaging parents and community members
- Organizing community conversations to build knowledge of federal funds and district plans
- Conducting resource equity analyses to respond to changing student needs
