Intimate parts, as defined in Minn. Stat. § 609.341, includes the primary genital area, groin, inner thigh, buttocks, or breast, as well as the clothing covering these areas.

H. Violence

Violence prohibited by this policy is a physical act of aggression or assault upon another or group of individuals because of, or in a manner reasonably related to, a person's protected classification.

- I. "Employee," for purposes of this policy, includes school board members, district employees, agents, volunteers, independent contractors, or other persons subject to the supervision and control of the district.

IV. Reporting Procedures

- A. Any person who believes the person has been the target or victim of harassment or violence on the basis of protected classification by a student or employee, or any person with knowledge or belief of conduct which may constitute harassment or violence prohibited by this policy toward a student or employee or group of students or other employee should report the alleged acts immediately to an appropriate school district official designated by this policy. A person may report conduct which may constitute harassment or violence anonymously. However, the school district may not rely solely on an anonymous report to determine discipline or other remedial responses.
- B. The district encourages the reporting party or complainant to use the report form available from the principal or building supervisor of each building or available from the school district office, but oral reports will be considered complaints as well.
- C. Nothing in this policy prevents any person from reporting harassment or violence directly to a school district human rights officer or to the superintendent. If the complaint involves the building report taker, the

complaint will be made or filed directly with the superintendent or the school district human rights officer by the reporting party or complainant.

- D. At each site location, the building principal, the principal's designee, or the building supervisor ("building report taker") is the person responsible for receiving oral or written reports of harassment or violence prohibited by this policy at the building level. Any adult school district employee who receives a report of harassment or violence prohibited by this policy will inform the building report taker immediately. If the complaint involves the building report taker, the complaint will be made or filed directly with the superintendent or the school district human rights officer by the reporting party or complainant. The building report taker will ensure that this policy and its procedures, practices, consequences, and sanctions are fairly and fully implemented and will serve as a primary contact on policy and procedural matters.
- E. Employees will be particularly alert to possible situations, circumstances, or events that might include acts of harassment or violence. An employee who witnesses, observes, receives a report of, or has other knowledge or belief of conduct that may constitute harassment or violence will make reasonable efforts to address and resolve the harassment or violence and will inform the building report taker immediately. Employees who fail to inform the building report taker of conduct that may constitute harassment or violence or who fail to make reasonable efforts to address and resolve the harassment or violence in a timely manner may be subject to disciplinary action.
- F. Upon receipt of a report, the building report taker must notify the school district human rights officer immediately, without screening or investigating the report. The building report taker may request, but may not insist upon, a written complaint. A written statement of the facts alleged will be forwarded as soon as practicable by the building report taker to the human rights officer. If the report was given verbally, the building report taker will personally reduce it to written form within 24 hours and forward it to the human rights officer. Failure to forward any harassment or violence report or complaint as provided in this policy may result in disciplinary action against the building report taker.
- G. The district designates the human resources department to receive reports or complaints of harassment or violence prohibited by this policy. If the complaint involves the human resources department, the complaint will be filed directly with the superintendent.
- H. The school district will conspicuously post the name of the human rights officer(s), including mailing addresses and telephone numbers.
- I. Submission of a good faith complaint or report of harassment or violence prohibited by this policy will not affect the reporter's future employment, grades, work assignment, or educational or work environment.
- J. Use of formal reporting forms is not mandatory.

- K. Reports of harassment and violence prohibited by this policy are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law.
- L. The district will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the school district's legal obligations to investigate, to take appropriate action, and to comply with any discovery or disclosure obligations.
- M. Retaliation against a victim, good faith reporter, or a witness of violence or harassment is prohibited.
- N. False accusations or reports of violence or harassment against another person are prohibited.
- O. A person who engages in an act of violence or harassment, reprisal, retaliation, or false reporting of violence or harassment, or permits, condones, or tolerates violence or harassment will be subject to discipline or other remedial responses for that act in accordance with the school district's policies and procedures.

Consequences for students who commit, or are a party to, prohibited acts of violence or harassment or who engage in reprisal or intentional false reporting may range from remedial responses or positive behavioral interventions up to and including suspension and/or expulsion.

Consequences for employees who permit, condone, or tolerate violence or harassment or engage in an act of reprisal or intentional false reporting of violence or harassment may result in disciplinary action up to and including termination or discharge.

Consequences for other individuals engaging in prohibited acts of violence or harassment may include, but not be limited to, exclusion from school district property and events and/or termination of services and/or contracts.

V. Investigation

- A. The Director of Human Resources or designee, within three (3) days of the receipt of a report or complaint alleging harassment or violence prohibited by this policy, will undertake or authorize an investigation. The investigation may be conducted by school district officials or by a third party designated by the school district.
- B. The investigation may consist of personal interviews with the complainant, the person(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.

- C. In determining whether alleged conduct constitutes a violation of this policy, the district should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.
- D. The district may take immediate steps, at its discretion, to protect the reporting party, students or employees pending completion of an investigation of alleged harassment or violence prohibited by this policy.
- E. The alleged perpetrator of the act(s) of harassment or violence will be allowed the opportunity to present a information during the investigation or prior to the imposition of discipline or other remedial responses.
- F. The investigation will be completed as soon as practicable. The school district human rights officer will make a written report to the superintendent upon completion of the investigation. If the complaint involves the superintendent, the report may be filed directly with the school board. The report will include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

VI. School District Action

- A. Upon completion of the investigation, the school district will take appropriate action. This action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, removal, or termination. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited behavior. District action taken for violation of this policy will be consistent with requirements of applicable collective bargaining agreements, state and federal law, and applicable district policies.
- B. The district is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of the school district. School officials will notify the parent(s) or guardian(s) of targets or victims of harassment or violence and the parent(s) or guardian(s) of alleged perpetrators of harassment or violence who have been involved in a reported and confirmed harassment or violence incident of the remedial or disciplinary action taken, to the extent permitted by law.
- C. In order to prevent or respond to acts of harassment or violence committed by or directed against a child with a disability, the district will, where determined appropriate by the child's individualized education program (IEP) or Section 504 team, allow the child's IEP or Section 504 plan to be drafted to address the skills and proficiencies the child needs as a result of the child's disability to allow the child to respond to or not to engage in acts of harassment or violence.

VII. Retaliation or Reprisal

The school district will discipline or take appropriate action against any student employee who commits an act of reprisal or who retaliates against any person who asserts, alleges, or makes a good faith report of alleged harassment or violence prohibited by this policy, who testifies, assists, or participates in an investigation of retaliation or alleged harassment or violence, or who testifies, assists, or participates in a proceeding or hearing relating to such harassment or violence. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the harassment or violence. Remedial responses to the harassment or violence will be tailored to the particular incident and nature of the conduct.

VIII. Right to Alternative Complaint Procedures

These procedures do not deny the right of any individual to pursue other avenues of recourse which may include filing charges with the Minnesota Department of Human Rights, initiating civil action, or seeking redress under state or federal law.

IX. Harassment or Violence as Abuse

- A. Under certain circumstances, alleged harassment or violence may also be possible abuse under state law. If so, the duties of mandatory reporting under Minn. Stat. § 626.556 may be applicable.
- B. Nothing in this policy prohibits the district from taking immediate action to protect victims of alleged harassment, violence or abuse.

X. Dissemination of Policy and Training

- A. This policy is posted in each school building in areas accessible to students and district employees.
- B. This policy is provided to each school district employee.
- C. This policy must appear in the student handbook.
- D. The district will develop a method of discussing this policy with students and employees.
- E. The district may implement violence prevention and character development education programs to prevent and reduce policy violations. Such programs may offer instruction on character education including, but not limited to, character qualities such as attentiveness, truthfulness, respect for authority, diligence, gratefulness, self-discipline, patience, forgiveness, respect for others, peacemaking, resourcefulness and/or sexual abuse prevention.

F. This policy will be reviewed at least annually for compliance with state and federal law.
