### B. Prior Consent for Disclosure Not Required

The records will include information about disciplinary action taken as a result of any incident in which the student possessed or used a dangerous weapon, and with proper annual notice (See section XIX.), suspension and expulsion information pursuant to section 4155 of the federal No Child Left Behind Act and, if applicable, data regarding a student's history of violent behavior, except the records regarding disciplinary action, suspension or expulsion, or a student's history of violent behavior will not be disclosed to institutions of postsecondary education where the student seeks to or intends to enroll, unless required by law. The records also will include a copy of any probable cause notice or any disposition or court order under Minn. Stat. § 260B.171, unless the data are required to be destroyed under Minn. Stat. § 120A.22, Subd. 7(c) or § 121A.75. On request, the school district will provide the parent or eligible student with a copy of the education records which have been transferred and provide an opportunity for a hearing to challenge the content of those records in accordance with the "Request to Amend Records; Procedures to Challenge Data" section of this policy;

3.   - b. after November 19, 1974, if the reporting or disclosure allowed by state statute concerns the juvenile justice system and the system’s ability to effectively serve, prior to adjudication, the student whose records are released, provided the officials and authorities to whom the records are disclosed certify in writing to the school district that the data will not be disclosed to any other party, except as provided by state law, without the prior written consent of the parent of the student. At a minimum, the school district will disclose the following information to the juvenile justice system under this paragraph: a student’s full name, home address, telephone number, and date of birth; a student’s school schedule, attendance record, and photographs, if any; and parents’ names, home addresses, and telephone numbers;
6. To organizations conducting studies for or on behalf of educational agencies or institutions for the purpose of developing, validating or administering predictive tests, administering student aid programs or improving instruction; provided that the studies are conducted in a manner which does not permit the personal identification of parents or students by individuals other than representatives of the organization and the information is destroyed when no longer needed for the purposes for which the study was conducted. For purposes of this provision, the term “organizations” includes, but is not limited to, federal, state and local agencies and independent organizations.

In the event the Department of Education determines that a third party outside of the school district to whom information is disclosed violates this provision, the school district may not allow that third party access to personally identifiable information from education records for at least five years.

In addition, if the school district initiates legal action against a parent or student it may disclose to the court, without a court order or subpoena, the education records of the student that are relevant for the school district to proceed with the legal action as plaintiff. Also, if a parent or eligible student initiates a legal action against the school district, the school district may disclose to the court, without a court order or subpoena, the student's education records that are relevant for the school district to defend itself.
10. To appropriate parties in connection with an emergency if knowledge of the information is necessary to protect the health or safety of the student or other individuals. In addition, an educational agency or institution may include in the educational records of a student, appropriate information concerning disciplinary action taken against the student for conduct that posed a significant risk to the safety or well-being of that student, other students, or other members of the school community. This information may be disclosed to teachers and school officials within the school district and/or teachers and school officials in other schools who have legitimate educational interests in the behavior of the student;

17. To the juvenile justice system, on written request that certifies that the information will not be disclosed to any other person except as authorized by law without the written consent of the parent of the student:
  - a. the following information about a student must be disclosed: a student's full name, home address, telephone number, date of birth; a student's school schedule, daily attendance record, and photographs, if any; and any parents' names, home addresses, and telephone numbers;
  - b. the existence of the following information about a student, not the actual data or other information contained in the student's educational record, may be disclosed provided that a request for access must be submitted on the statutory form and it must contain an explanation of why access to the information is necessary to serve the student: (1) use of a controlled substance, alcohol, or tobacco; (2) assaultive or threatening conduct that could result in dismissal from school under the Pupil Fair Dismissal Act; (3) possession or use of weapons or look-alike weapons; (4) theft; or (5) vandalism or other damage to property. Prior to releasing this information, the principal or chief administrative officer of a school who receives such a request must, to the extent permitted by federal law, notify the student's parent or guardian by certified mail of the request to disclose information. If the student's parent or guardian notifies the school official of an objection to the disclosure within ten (10) days of receiving certified notice, the school official must not disclose the information and instead must inform the requesting member of the juvenile justice system of the objection. If no objection from the parent or guardian is received within fourteen (14) days, the school official must respond to the request for information.

The written requests of the juvenile justice system member(s), as well as a record of any release, must be maintained in the student's file.

The principal must notify the counselor immediately and must place the disposition order in the student's permanent education record. The principal also must notify immediately any teacher or administrator who directly supervises or reports on the behavior or progress of the student whom the principal believes needs the information to work with the student in an appropriate manner, to avoid being needlessly vulnerable, or to protect other persons from needless vulnerability. The principal may also notify other school district employees, substitutes, and volunteers who are in direct contact with the student if the principal determines that these individual need the information to work with the student in an appropriate manner, to avoid being needlessly vulnerable, or to protect other persons from needless vulnerability. Such notices from the principal must identify the student, outline the offense, and describe any conditions of probation about which the school must provide information if this information is provided in the disposition order. Disposition order information received is private educational data received for the limited purpose of serving the educational needs of the student and protecting students and staff. The information may not be further disseminated by the counselor, teacher, administrator, staff member, substitute, or volunteer except as necessary to serve the student, to protect students and staff, or as otherwise required by law, and only to the student or the student's parent or guardian.

The principal may also notify other district employees, substitutes, and volunteers who are in direct contact with the student if the principal determines that these individuals need the information to work with the student in an appropriate manner, to avoid being needlessly vulnerable, or to protect other persons from needless vulnerability. Such notices from the principal must identify the student and describe the alleged offense if this information is provided in the peace officer's notice. Peace officer's record information received is private educational data received for the limited purpose of serving the educational needs of the student and protecting students and staff. The information must not be further disseminated by the counselor, teacher administrator, staff member, substitute, or volunteer except to communicate with the student or the student's parent or guardian as necessary to serve the student, to protect students and staff, or as otherwise required by law.

The principal must delete the peace officer's record from the student's educational record, destroy the data, and make reasonable efforts to notify any teacher, counselor, staff member, administrator, substitute, or volunteer

who received information from the peace officer's record if the county attorney determines not to proceed with a petition or directs the student into a diversion or mediation program or if a juvenile court makes a decision on a petition and the county attorney or juvenile court notifies the superintendent of such action.

20. #### C. Nonpublic School Students

The school district may disclose personally identifiable information from the education records of a nonpublic school student, other than a student who receives shared time educational services, without the written consent of the parent of the student or the eligible student unless otherwise provided herein, if the disclosure is:

2. Pursuant to a statute specifically authorizing access to the private data; or
3. ### VII. Release of Directory Information

#### A. Classification

Directory information is public except as provided herein.

#### B. Former Students

Unless a former student affirmatively opted out of the release of directory information in his or her last year of attendance, the school district may disclose directory information from the education records generated by it regarding the former student without meeting the requirements of paragraph C of this section.

In addition, under an explicit exclusion from the definition of an “education record,” the school district may release records that only contain information about an individual obtained after he or she is no longer a student at the school district.

#### C. Present Students and Parents

The school district may disclose directory information from the education records of a student and information regarding parents without prior written consent of the parent of the student or eligible student, except as provided herein. Prior to such disclosure the school district will:

1. Annually give public notice by any means that are reasonably likely to inform the parents and eligible students of:
  - a. the types of personally identifiable information regarding students and/or parents that the school district has designated as directory information;
  - b. the parent’s or eligible student’s right to refuse to let the school district designate any or all of those types of information about the student and/or the parent as directory information; and
  - c. the period of time in which a parent or eligible student has to notify the school district in writing that he or she does not want any or all of those types of information about the student and/or the parent designated as directory information.
2. Allow a reasonable period of time after such notice has been given for a parent or eligible student to inform the school district, in writing, that any or all of the information so designated should not be disclosed without the parent’s or eligible student’s prior written consent, except as provided in the “Disclosure of Education Records” section of this policy.

#### D. Procedure for Obtaining Nondisclosure of Directory Information

The parent’s or eligible student’s written notice will be directed to the responsible authority and will include the following:

1. Name of the student and/or parent, as appropriate;
2. Home address;
3. School presently attended by student;
4. Parent’s legal relationship to student, if applicable; and
5. Specific categories of directory information to be made not public without the parent’s or eligible student’s prior written consent, which will only be applicable for that school year.

## E. Duration

The designation of any information as directory information about a student or parents will remain in effect for the remainder of the school year unless the parent or eligible student provides the written notifications provided herein.

## VIII. Disclosure of Private Records

### A. Private Records

For the purposes herein, education records are records which are classified as private data on individuals by state law and which are accessible only to the student who is the subject of the data and the student's parent if the student is not an eligible student. The school district may not disclose private records or their contents except as summary data, or except as provided in the "Disclosure of Education Records" section of this policy, without the prior written consent of the parent or the eligible student.

### B. Private Records Not Accessible to Parent

In certain cases state law intends, and clearly provides, that certain information contained in the education records of the school district pertaining to a student be accessible to the student alone, and to the parent only under special circumstances, if at all.

The responsible authority may deny access to private data by a parent when a minor student who is the subject of that data requests that the responsible authority deny such access. The minor student's request must be submitted in writing setting forth the reasons for denying access to the parent and must be signed by the minor. Upon receipt of such request the responsible authority will determine if honoring the request to deny the parent access would be in the best interest of the minor data subject. In making this determination the responsible authority will consider the following factors:

1. whether the minor is of sufficient age and maturity to be able to explain the reasons for and understand the consequences of the request to deny access;
2. whether the personal situation of the minor is such that denying parental access may protect the minor data subject from physical or emotional harm;
3. whether there are grounds for believing that the minor data subject's reasons for precluding parental access are reasonably accurate;
4. whether the data in question is of such a nature that disclosure of it to the parent may lead to physical or emotional harm to the minor data subject; and
5. whether the data concerns medical, dental or other health services provided pursuant to Minn. Stat. §§ 144.341-144.347, in which case the data may be released only if the failure to inform the parent would seriously jeopardize the health of the minor.

### C. Private Records Not Accessible to Student

Students will not be entitled to access to private data concerning financial records and statements of the student's parent or any information contained therein.

## IX. Disclosure of Confidential Records

### A. Confidential Records

Confidential records are those records and data contained therein which are made not public by state or federal law, and which are inaccessible to the student and the student's parents or to an eligible student.

### B. Reports Under the Maltreatment of Minors Reporting Act

Pursuant to Minn. Stat. § 626.556, written copies of reports pertaining to a neglected and/or physically and/or sexually abused child will be accessible only to the appropriate welfare and law enforcement agencies. In respect to other parties, such data will be confidential and will not be made available to the parent or the subject individual by the school district. The subject individual, however, may obtain a copy of the report from either the local welfare agency, county sheriff or the local police department subject to the provisions of Minn. Stat. § 626.556, Subd. 11.

Regardless of whether a written report is made under Minn. Stat. § 626.556, Subd. 7, as soon as practicable after a school receives information regarding an incident that may constitute maltreatment of a child in a school facility, the school will inform the parent, legal guardian, or custodian of the child that an incident occurred that may constitute maltreatment of the child, when the incident occurred, and the nature of the conduct that may constitute maltreatment.

### C. Investigative Data

Data collected by the school district as part of an active investigation undertaken for the purpose of the commencement or defense of pending civil legal action, or which are retained in anticipation of a pending civil legal action are classified as protected nonpublic data in the case of data not on individuals, and confidential data in the case of data on individuals.

1. The school district may make any data classified as protected non-public or confidential pursuant to this subdivision accessible to any person, agency or the public if the school district determines that such access will aid the law enforcement process, promote public health or safety, or dispel widespread rumor or unrest.
2. A complainant has access to a statement he or she provided to the school district.

3. Once a civil investigation becomes inactive, civil investigative data becomes public unless the release of the data would jeopardize another pending civil legal action, except for those portions of such data that are classified as not public data under state or federal law. Any civil investigative data presented as evidence in court or made part of a court record will be public. For purposes of this provision, a civil investigation becomes inactive upon the occurrence of any of the following events:
  - a. a decision by the school district, or by the chief attorney for the school district, not to pursue the civil legal action. However, such investigation may subsequently become active if the school district or its attorney decides to renew the civil legal action;
  - b. the expiration of the time to file a complaint under the statute of limitations or agreement applicable to the civil legal action; or
  - c. the exhaustion or expiration of rights of appeal by either party to the civil legal action.
4. A “pending civil legal action” for purposes of this subdivision is defined as including, but not limited to, judicial, administrative or arbitration proceedings.

#### X. Disclosure of School Records Prior to Exclusion or Expulsion Hearing

At a reasonable time prior to any exclusion or expulsion hearing, the student and the student’s parent or guardian or representative will be given access to all school district records pertaining to the student, including any tests or reports upon which the action proposed by the school district may be based, pursuant to the Minnesota Pupil Fair Dismissal Act, Minn. Stat. § 121A.40, et seq.

#### XI. Disclosure of Data to Military Recruitment Officers

- A. The school district will release the names, addresses, and home telephone numbers of secondary students to military recruiting officers within sixty (60) days after the date of the request unless a parent or eligible student has refused in writing to release this data to military recruiters pursuant to paragraph C below.
- B. Data released to military recruiting officers under this provision:
  1. may be used only for the purpose of providing information to students about military service, state and federal veterans’ education benefits, and other career and educational opportunities provided by the military; and
  2. cannot be further disseminated to any other person except personnel of the recruiting services of the armed forces.
- C. A parent or eligible student has the right to refuse the release of the name, address, or home telephone number to military recruiting officers. To refuse

the release of the above information to military recruiting officers, a parent or eligible student must notify the responsible authority, the building principal, in writing, by September 15 of each year. The written request must include the following information:

1. Name of student and parent, as appropriate;
  2. Home address;
  3. Student's grade level;
  4. School presently attended by student;
  5. Parent's legal relationship to student, if applicable;
  6. Specific category or categories of information which are not to be released to military recruiters; and
  7. Specific category or categories of information which are not to be released to the public, including military recruiters.
- D. Annually, the school district will provide public notice by any means that are reasonably likely to inform the parents and eligible students of their rights to refuse to release the names, addresses, and home phone numbers of secondary students without prior consent.
- E. A parent or eligible student's refusal to release the above information to military recruiting officers does not affect the school district's release of directory information to the rest of the public, which includes military recruiting officers. In order to make any directory information about a student private, the procedures contained in the "Release of Directory Information" section of this policy also must be followed. Accordingly, to the extent the school district has designated the name, address, phone number, and grade level of students as directory information, absent a request from a parent or eligible student not to release such data, this information will be public data and accessible to members of the public, including military recruiting officers.

## XII. Limits on Disclosure

### A. Redislosure

Consistent with the requirements herein, the school district may only disclose personally identifiable information from the education records of a student on the condition that the party to whom the information is to be disclosed will not disclose the information to any other party without the prior written consent of the parent of the student or the eligible student, except that the officers, employees and agents of any party receiving personally identifiable information under this section may use the information, but only for the purposes for which the disclosure was made.

## B. Redisdisclosure Not Prohibited

1. Subdivision A of this section does not preclude the school district from disclosing personally identifiable information under the “Disclosure of Education Records” section of this policy with the understanding that the party receiving the information may make further disclosures of the information on behalf of the school district provided:
  - a. The disclosures meet the requirements of the “Disclosure of Education Records” section of this policy; and
  - b. The school district has complied with the record keeping requirements of the “Responsible Authority, Record Security, and Record Keeping” section of this policy.
2. Subdivision A of this section does not apply to disclosures made pursuant to court orders or lawfully issued subpoenas or litigation, to disclosures of directory information, to disclosures to a parent or student, or to parents of dependent students.

## C. Classification of Disclosed Data

The information disclosed will retain the same classification in the hands of the party receiving it as it had in the hands of the school district.

## D. Notification

Except for disclosures made pursuant to court orders or lawfully issued subpoenas, disclosure of directory information under the “Release of Directory Information” section of this policy, or disclosures to a parent or student, the school district will inform the party to whom a disclosure is made of the requirements set forth in this section. In the event that the Family Policy Compliance Office determines that a third party improperly rediscloses personally identifiable information from education records, the educational agency or institution may not allow that third party access to personally identifiable information from education records for at least five years.

## XIII. Responsible Authority, Record Security, and Record Keeping

### A. Responsible Authority

The responsible authority will be responsible for the maintenance and security of student records.

### B. Record Security

The principal of each school subject to the supervision and control of the responsible authority will be the records manager of the school, and will have the duty of maintaining and securing the privacy and/or confidentiality of

student records.

#### C. Plan for Securing Student Records

The building principal will submit to the responsible authority a written plan for securing students records by September 1 of each school year. The written plan will contain the following information:

1. A description of records maintained;
2. Titles and addresses of person(s) responsible for the security of student records;
3. Location of student records, by category, in the buildings;
4. Means of securing student records; and
5. Procedures for access and disclosure.

#### D. Review of Written Plan for Securing Student Records

The responsible authority will review the plans submitted pursuant to paragraph C of this section for compliance with the law, this policy and the various administrative policies of the school district. The responsible authority will then promulgate a chart incorporating the provisions of paragraph C which will be attached to and become a part of this policy.

#### E. Record Keeping

1. The principal will, for each request for and each disclosure of personally identifiable information from the education records of a student, maintain a record with the education records of the student which indicates:
  - a. the parties who have requested or received personally identifiable information from the education records of the student; and
  - b. the legitimate interests these parties had in requesting or obtaining the information;
2. In the event the school district discloses personally identifiable information from an education record of a student pursuant to paragraph B of the "Limits on Disclosure" section of this policy, the record of disclosure required under this section will also include:
  - a. the names of the additional parties to which the receiving party may disclose the information on behalf of the school district; and
  - b. the legitimate interests under the "Disclosure of the Education Records" section of this policy which each of the additional parties has in requesting or obtaining the information.

3. Paragraph (1) of Record Keeping does not apply to requests by or disclosure to a parent of a student or an eligible student, disclosures pursuant to the written consent of a parent of a student or an eligible student, requests by or disclosures to other school officials under paragraph B1 of the “Disclosure of the Education Records section of this policy, to requests for disclosures of directory information under the “Release of Directory Information” section of this policy, or to a party seeking or receiving the records as directed by a Federal grand jury or other law enforcement subpoena and the issuing court or agency has ordered that the existence or the contents of the subpoena or the information provided in response to the subpoena not be disclosed.
4. The record of requests of disclosures may be inspected by:
  - a. the parent of the student or the eligible student;
  - b. the school official or his or her assistants who are responsible for the custody of the records; and
  - c. the parties authorized by law to audit the record-keeping procedures of the school district.
5. The record of requests and disclosures will be maintained with the education records of the student as long as the school district maintains the student’s education records.

#### XIV. Right to Inspect and Review Education Records

##### A. Parent of a Student, an Eligible Student or the Parent of an Eligible Student Who Is Also a Dependent Student

The school district will permit the parent of a student, an eligible student or the parent of an eligible student who is also a dependent student who is or has been in attendance in the school district to inspect or review the education records of the student, except those records which are made confidential by state or federal law or as otherwise provided in the “Disclosure of Private Records” section of this policy.

##### B. Response to Request for Access

The school district will respond to any request pursuant to subdivision A of this section immediately, if possible, or within ten (10) days of the date of the request, excluding Saturdays, Sundays and legal holidays.

##### C. Right to Inspect and Review

The right to inspect and review education records under subdivision A of this section includes:

1. The right to a response from the school district to reasonable requests for explanations and interpretations of records; and

2. If circumstances effectively prevent the parent or eligible student from exercising the right to inspect and review the education records, the school district will provide the parent or eligible student with a copy of the records requested, or make other arrangements for the parent or eligible student to inspect and review the requested records.
3. Nothing in this policy will be construed as limiting the frequency of inspection of the educational records of a student with a disability by the student's parent or guardian or by the student upon the student reaching the age of majority.

#### D. Form of Request

Parents or eligible students will submit to the school district a written request to inspect education records which identify as precisely as possible the record or records he or she wishes to inspect.

#### E. Collection of Student Records

If a student's education records are maintained in more than one location, the responsible authority may collect copies of the records or the records themselves from the various locations so they may be inspected at one site. However, if the parent or eligible student wishes to inspect these records where they are maintained, the school district will attempt to accommodate those wishes. The parent or eligible student will be notified of the time and place where the records may be inspected.

#### F. Records Containing Information on More Than One Student

If the education records of a student contain information on more than one student, the parent or eligible student may inspect and review or be informed of only the specific information which pertains to that student.

#### G. Authority to Inspect or Review

The school district may presume that either parent of the student has authority to inspect or review the education records of a student unless the school district has been provided with evidence that there is a legally binding instrument or a state law or court order governing such matters as marriage dissolution, separation or custody which provides to the contrary.

#### H. Fees for Copies of Records

1. The school district will charge a reasonable fee for providing photocopies or printed copies of records unless printing a copy is the only method to provide for the inspection of data. In determining the amount of the reasonable fee, the school district will consider the following:
  - a. the cost of materials, including paper, used to provide the copies;

- b. the cost of the labor required to prepare the copies;
  - c. any schedule of standard copying charges established by the school district in its normal course of operations;
  - d. any special costs necessary to produce such copies from machine based record-keeping systems, including but not limited to computers and microfilm systems; and
  - e. mailing costs.
2. The cost of providing copies will be borne by the parent or eligible student.
  3. The responsible authority, however, may not impose a fee for a copy of an education record made for a parent or eligible student if doing so would effectively prevent or, in the case of a student with a disability, would impair the parent or eligible student from exercising their right to inspect or review the student's education records.

## XV. Request to Amend Records; Procedures to Challenge Data

### A. Request to Amend Education Records

The parent of a student or an eligible student who believes that information contained in the education records of the student is inaccurate, misleading or violates the privacy or other rights of the student may request that the school district amend those records.

2. The school district will decide whether to amend the education records of the student in accordance with the request within a reasonable period of time after receiving the request.

### B. Right to a Hearing

If the district refuses to amend the education records of a student, the district, on request, will provide an opportunity for a hearing in order to challenge the content of the student's education records to ensure that information in the education records of the student is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student. A hearing will be conducted in accordance with subdivision C of this section.

1. If, as a result of the hearing, the district decides that the information is inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, it will amend the education records of the student accordingly and so inform the parent of the student or the eligible student in writing.
2. If, as a result of the hearing, the district decides that the information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, it will inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he or she disagrees with the decision of the school district, or both.
3. Any statement placed in the education records of the student under subdivision B of this section will:
  - a. be maintained by the district as part of the education records of the student so long as the record or contested portion thereof is maintained by the school district; and
  - b. if the education records of the student or the contested portion thereof is disclosed by the school district to any party, the explanation will also be disclosed to that party.

#### C. Conduct of Hearing

1. The hearing will be held within a reasonable period of time after the school district has received the request, and the parent of the student or the eligible student will be given notice of the date, place and time reasonably in advance of the hearing.
2. The hearing may be conducted by any individual, including an official of the school district who does not have a direct interest in the outcome of the hearing. The school board attorney will be in attendance to present the school board's position and advise the designated hearing officer on legal and evidentiary matters.
3. The parent of the student or eligible student will be afforded a full and fair opportunity for hearing to present evidence relative to the issues raised under subdivisions A and B of this section and may be assisted or represented by individuals of his or her choice at his or her own expense, including an attorney.
4. The school district will make a decision in writing within a reasonable period of time after the conclusion of the hearing. The decision will be based solely on evidence presented at the hearing and will include a summary of evidence and reasons for the decision.

#### D. Appeal

accordance with the applicable provisions of the Minn. Stat. Ch. 14 relating to contested cases.
