LEADERSHIP HABIT OF THE MONTH:

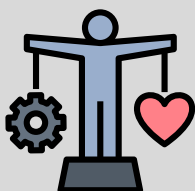

*Sharpen the Saw means
preserving and
enhancing the greatest
asset you have - you.*

SHARPEN THE
SAW

Balance is Best:

- I take good care of my body with healthy food, exercise, and plenty of sleep.
- I take care of my mind by learning in many ways and in different places.
- I take care of my heart by spending time with my love ones and friends.
- I take care of my soul by finding ways to help others.

Ms. Bartlett's Blurb

And just like that it is already April! This is the month that the state testing is really heavy so we again are going to ask for your support with ensuring our students **get enough sleep, eat breakfast, show up on time, and be at school every single day!**

For Trimester 2 Illuminate Data our school was celebrated because:

- **Rainbow Valley** was the **ONLY** site to average overall **POSITIVE GROWTH** for **ELA!!**
- **Rainbow Valley** had the **MOST GROWTH** in **MATH!!**

So we are all **very excited to see continued evidence of their learning and growth** on our state assessments. **3rd-8th grade students** are taking the AZM2 State Assessments in Reading, Writing, and Math starting April 5th.

Please look on **page 2** for our schedule so you know the **subject, grade-level, and learning model** being tested.

ACTILALA
SIERRA

El equilibrio es mejor:

- Cuido bien mi cuerpo con alimentos saludables, ejercicio y sueño lo suficiente.
- Cuido mi mente aprendiendo de muchas formas y en diferentes lugares.
- Cuido mi corazón pasando tiempo con mis seres queridos y amigos.
- Cuido mi alma buscando formas de ayudar a los demás.

La Palabrería de Sra. Bartlett

¡Y así ya es abril! Este es el mes en que las pruebas estatales son muy pesadas, por lo que nuevamente vamos a pedir su apoyo para garantizar que nuestros estudiantes **duerman lo suficiente, desayunen, lleguen a tiempo y estén en la escuela todos los días.**

Para el trimestre 2 Illuminate Data, nuestra escuela se celebró porque:

- ¡**Rainbow Valley** fue el **ÚNICO** sitio que promedió un **CRECIMIENTO POSITIVO** general para **ELA**!
- ¡**Rainbow Valley** tuvo el **MAYOR CRECIMIENTO** en **MATEMÁTICAS**!!

Así que todos estamos **muy emocionados de ver evidencia continua de su aprendizaje y crecimiento** en nuestras evaluaciones estatales. **Los estudiantes de 3° a 8° grado** están tomando las evaluaciones estatales AZM2 en lectura, escritura y matemáticas a partir del 5 de abril.

Por favor, mire en la **página 2** nuestro horario para saber **la materia, el nivel de grado y el modelo de aprendizaje** que se está evaluando.

Sra. Samantha Bartlett

Meet the Team

LISA ALEWINE, 6TH GRADE TEACHER

Having taught high school, middle school and young adults, I know that I love kids and teaching! Over the course of my teaching career, I have enjoyed teaching science, STEM, reading and now... ELA and social studies. As a grandma, I spend my weekends cuddling the babies, reading preschool books and making a mess in the kitchen. You'll find me hiking the trails with my dogs or wandering through craft fairs, admiring the art of others. My least favorite thing is cleaning the house (bleach!) but I adore gardening and am looking forward to the garden that we are working on in the back of our classrooms. Our 6th grade class is one that explores new topics, tries out new ideas, reaches towards challenging tasks and makes mistakes -- only to find the solutions to problems as they arise. I am excited to become a part of the Rainbow Valley family and am looking forward to the next school year!

DAWN SCHUMMER, 6TH GRADE TEACHER

I have been teaching for 23 years. I have taught from 2nd grade all the way up to college. Teaching is my 2nd career. My passion is Science. I love to read and bake. If I wasn't a teacher I would be a baker. I am also a sports lover!! Go Cardinals! I have a large family, six children of my own and a lot of grandchildren that I love.

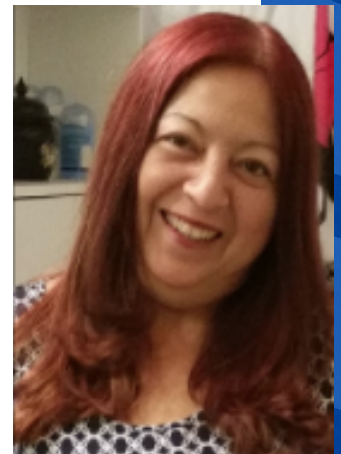

GUADALUPE KINSEY, 6TH GRADE TEACHER

My name is Guadalupe Kinsey. I am the 6th grade Distance Learning teacher this year. Let me tell you a little about myself.

- I have been a teacher with Rainbow Valley for 6 years
- I am a mom to three living children
- A grandmother of four biological grandchildren plus 3 Step grandchildren and one great grandchild.
- I was born and raised in Phoenix and have lived here my whole life
- I received my teaching certificate from the state of Arizona
- I graduated from Arizona State University

I am excited about what we have accomplished this year so far while having fun. Teaching is my passion and I am happy to be on this adventure of education with your Learner. I am excited to make it the best it can be.

LISA ALEWINE, PROFESORA DE SEXTO GRADO

Habiendo enseñado en la escuela secundaria, secundaria y adultos jóvenes, ¡sé que amo a los niños y la enseñanza! A lo largo de mi carrera docente, he disfrutado enseñando ciencias, STEM, lectura y ahora ... ELA y estudios sociales. Como abuela, paso los fines de semana abrazando a los bebés, leyendo libros de preescolar y haciendo un lío en la cocina. Me encontrarás recorriendo los senderos con mis perros o deambulando por ferias artesanales, admirando el arte de los demás. Lo que menos me gusta es limpiar la casa (¡leñía!). Pero adoro la jardinería y espero con ansias el jardín en el que estamos trabajando en la parte trasera de nuestras aulas. Nuestra clase de sexto grado es una que explora nuevos temas, prueba nuevas ideas, busca tareas desafiantes y comete errores, solo para encontrar las soluciones a los problemas a medida que surgen. ¡Estoy emocionado de formar parte de la familia de Rainbow Valley y espero con ansias el próximo año escolar!

DAWN SCHUMMER, PROFESORA DE SEXTO GRADO

He estado enseñando durante 23 años. He enseñado desde el segundo grado hasta la universidad. La docencia es mi segunda carrera. Mi pasión es la ciencia. Amo leer y hornear. Si no fuera profesor, sería panadero. ¡Yo también soy amante de los deportes !! ¡Vayan cardenales! Tengo una familia numerosa, seis hijos propios y muchos nietos que amo.

GUADALUPE KINSEY, PROFESORA DE SEXTO GRADO

Mi nombre es Guadalupe Kinsey. Soy la maestra de educación a distancia de sexto grado este año. Déjame contarte un poco sobre mí.

- He sido profesora de Rainbow Valley durante 6 años.
- Soy madre de tres hijos vivos
- Abuela de cuatro nietos biológicos más 3 nietos de paso y un bisnieto.
- Nací y crecí en Phoenix y he vivido aquí toda mi vida.
- Recibí mi certificado de enseñanza del estado de Arizona.
- Me gradué de la Universidad Estatal de Arizona

Estoy emocionado por lo que hemos logrado este año mientras nos divertimos. La enseñanza es mi pasión y estoy feliz de estar en esta aventura de la educación con su alumno. Estoy emocionado de hacerlo lo mejor posible.
