

When is Sick too Sick for School?

Send me to school if...

- I have a runny nose or just a little cough, but no other symptoms
- I have not taken any fever reducing medicine in 24 hours, and I have not had a fever during that time
- I have not thrown up or had any diarrhea for 24 hours
- I have a mild sore throat

Call the doctor if...

- I have a fever higher than 99.6°F for longer than 2 days
- I have been vomiting or have diarrhea for longer than 2 days
- I have had a runny nose longer than a week and it is not getting better
- I have asthma symptoms after using my regular asthma medication

Keep me home if...

- I have a severe runny nose with thick green or yellow mucus and a fever
- I have severe congestion that interferes with breathing
- I have a rash of unknown origin
- I have a fever **over 100°F**
- I am vomiting or have diarrhea
- I have a severe headache not relieved by medication
- My eyes are pink and crusty
