Procedures and Guidelines  
Governing Use of School Facilities

---

Dear Community Member:

This packet contains all the information needed to reserve school facilities in the Mount Greylock Regional School District. The School Committee supports the use of school facilities by community groups (after normal use by students and faculty) and believes that such use enriches the quality of life for everyone in the community.

These procedures and guidelines represent the efforts of the School Committee to encourage the use of school facilities and bring consistency to the regulations and fee structure associated with the program.

Mount Greylock Regional School District has wonderful school facilities that have been used by community groups for meetings and events. The School Committee wishes to continue its partnership with the community and extends an invitation for you to hold your events with us.

Sincerely,

Kimberley Grady  
Superintendent of Schools

## Use of School Facilities

### Philosophy

The Mount Greylock Regional School Committee encourages the use of school facilities for educational, charitable, recreational and civic purposes, sponsored by recognized, responsible organizations. The Mount Greylock Regional School District is committed to ensuring that all of its programs and facilities are accessible to the public. We do not discriminate on the basis of age, color, disability, national origin, race, religion, sex or sexual orientation.

The Mount Greylock Regional School District neither endorses, supports, nor sponsors any of the activities which may occur as a result of the use of the school facilities.

The use of school facilities must be consistent with the district's energy conservation program and fees associated with the use will vary contingent upon the nature of the sponsoring group, activity, and time of use. It is not the intent of the committee that for-profit groups be subsidized by public funds. Such groups shall incur additional charges for the use of school buildings.

The Superintendent and/or designee shall serve as the School Committee's representative in processing applications, approving use, and enforcing regulations. Any request to waive or change fees must be approved by the Superintendent.

### General Guidelines for Use

1. For non-school related activities, all costs shall be borne by the user group. Fees will include the direct costs associated with the activity such as rental fees and personnel costs.
2. The School Department requires that adequate staff be scheduled to ensure the security of the building and to provide for expedient cleaning. The terms of existing labor contracts will be consulted when assigning custodial and cafeteria fees.
3. All user groups shall save and hold harmless the Mount Greylock Regional School District and its officers and employees and assume responsibility for all liabilities arising from incidents as a result of use.
4. A Certificate of Insurance must be submitted as evidence of insurance coverage and must designate both, the using organization and Mount Greylock Regional School District, as insured and not merely as certified holders.
5. The group categories and the fee schedules will be agreed to prior to usage approval.

### Rental Group Categories

**Group A:** Recognized school or civic groups based in the Williamstown-Lanesborough community, but not necessarily established as non-profit organization (i.e., PTO, School Councils, Town Recreation / Youth Groups).

**Group B:** Non-profit groups with a majority of the participants residing in Regional member towns (i.e., youth groups, secular groups, and charities). Groups are required to provide proof of tax-exempt status at the time the Application for Use of School Facilities is submitted.

**Group C:** For-profit groups (i.e., private dance schools, theater groups) and non-profit groups that have fewer than half of the participants residing in District.

**Custodial Staff:** A custodian must be on the premises at all times. Custodial fees will be added to above rates for any use beyond 10:00 p.m. Monday through Friday, anytime on Saturday or Sunday, and any day that school is not in session. If the Director of Building and Grounds and building Principal determine that more than the regularly scheduled staff is needed, these costs will also be added to the facility rates. At the

discretion of the School Committee, these fees may be waived or adjusted for Groups A and B.

**Kitchen Staff:** Access to the kitchen is not available unless a cafeteria worker is present. This person will have full authority over all kitchen equipment and may restrict access to certain equipment.

**MGRS Audio/Visual Equipment:** Access to the audio/visual system in Mt Greylock Regional School is only permitted by the Director of Operations or his designee. This person will have full authority over the a/v system and may restrict access to certain equipment.

**Police Officers:** All organizations must arrange and pay for police services directly through the local Police Department if deemed necessary.

**Outside Restrooms:** Organizations requesting Athletic Field or Trail use are required to provide an adequate number of portable restroom facilities.

### **Guidelines for Scheduling/Approvals**

1. The Superintendent, in attempting to make the school facilities available to the maximum number of persons/organizations in the community will consider applications for use in the following order whenever feasible and practical:
  - Mount Greylock Regional School District Students
  - Mount Greylock Affiliated Groups (Committee, Councils, PTO, Etc.)
  - Member Town Recreation/Youth Groups
  - Adult Recreation
  - Local Non-Profit Organizations

*The Superintendent will be the final determining agent regarding any scheduling conflicts.*

2. **Event Requests must be made at least two weeks prior to the event.**

### **Regulations Governing Use of School Facilities**

1. Mass. General Law requires obtaining **Criminal Offender Record Information (CORI)** for all volunteers and others who may have direct and unmonitored contact with children. This includes all volunteers, chaperones, coaches, etc. who may be assisting you. All organizations are responsible for adhering to these requirements and obtaining CORIs when needed.
2. Mass. General Law prohibits smoking or alcoholic beverages on school property.
3. Participants shall not be restricted from participation for reasons of race, religion, age, sex, sexual orientation, creed, national origin or disability conditions. However

the School Committee is not prohibited from allowing the use of school premises by independent groups with restrictive membership.

4. In compliance with Massachusetts General Laws, the School Committee prohibits firearms and other dangerous weapons in schools and adopts the statutory definitions of a firearm and other dangerous weapons in addition to any definitions it may include in its student-parent handbook.
5. Hazing of students is prohibited by state law, and is defined as any conduct or method of initiation into any student organization that willfully or recklessly endangers the physical or mental health of the student.
6. Food and drinks shall occur only in authorized areas.
7. No other area than that approved for use on the application shall be used. No school material or furniture may be used without permission of the Superintendent. For any major function requiring use of a stage with scenery, the facility must be requested with additional time to allow setting up and dismantling of the scenery.
8. Users will assume full responsibility for the proper use of the facilities and for payment of damages.
9. If school is closed due to inclement weather or other emergency, all events and activities will be cancelled. It is the organization's responsibility to reschedule.
10. School personal properties, such as projectors, recorders, amplifying units, etc., are not included in the rental contract.
11. A letter of determination from the IRS or other documentation to verify tax-exempt status must accompany this application before an organization will be considered non-profit for fee setting purposes.
12. Thirty-six hour notice will be required in the event of cancellation; otherwise, the applicant will be responsible for the custodial and facility rental fees.
13. The Mount Greylock Regional School District is not responsible for any personal property present or left on the premises.
15. The Superintendent reserves the right to refuse the use of facilities to any group that has violated any condition, rule, regulation, or guideline concerning use of the premises in the past, or which has otherwise abused this privilege.
