Board Briefs from School Board Meeting May 17, 2021

*Board Briefs are a communication tool designed to highlight important conversations and decisions made on behalf of students, families, staff, and the larger community by the District 70 School Board at each monthly School Board meeting.*

## **Recognition:**

Several students were recognized for their leadership and character at the school board meeting Monday night.

Adler Park Principal Dr. Kerri Bongle recognized fifth-graders Colin and Reese, and Butterfield Principal Dr. Candice Kehoe recognized Danica and Emily. The students were honored for their diligent work and in and out of school. They also were awarded Illinois Principal Association Student Recognition awards by each principal.

For the first time, District 70 also honored a Lakeside bus driver, Ms. Megan Vogel. Ms.

Vogel drives a Copeland Manor School bus and has received high praise from parents and teachers for her genuine care of students riding her bus. She was given a plaque by Supt. Matt Barbini and Board President Wendy Schilling.

District 70 also honored retiring staff members Adler Park special education teacher Mary Goff and Highland Middle School social studies teacher Ann Riggs.

Mrs. Goff has been a special education teacher with District 70 for 20 years. She looks forward to spending time with her grandchildren and drinking coffee slowly in the morning. A caring student advocate who built confidence in her students and taught them that hard work builds character, Mrs. Goff plans to return to teaching as a volunteer in school districts that need assistance.

Ms. Riggs has taught language arts and literature, and then social studies at Highland Middle School for 27 years, having taught four years before that with a stint at Woodland School in nearby Gurnee. She looks forward to retirement as an endless summer and will spend time with her family, as well as reading and traveling. Ms. Riggs is known for her council to students, often reminding her students to “be part of the solution, keep moving forward, explore and have fun.” (Ms. Riggs was unable to attend the meeting.)

### **Board of Education Meeting Dates**

A list of Board of Education meeting dates can be found [here](#) for the 2021-22 school year. They also will be posted on our website under the calendar on Friday, when the calendar for the next school year is finished. Dates will be added to the 21-22 calendar as new events and meetings are planned.

### **Staffing Update for 2021-22 School Year**

Dr. Tom Bean, Dr. Erik Youngman, and Dr. Chris Otto presented information regarding staffing in general education, special education, EL and Intervention, for the current year, as well as considerations for the 2021-2022 school year.

## Website Update

Mrs. Robin Kollman, director of communications, made a brief presentation on the new website that District 70 will roll out this fall. The website, hosted by Finalsity, will feature a progressive and sharp design, crisp photos, videos, calendars families can subscribe to, and easier access to information parents and guardians seek. The website will be ADA compliant and mobile responsive. The website is still under construction, so the presentation was live.

## Humanex Overview

In April, the District 70 Board of Education agreed to engage the services of Humanex to evaluate and continuously improve upon the culture of each of D70 schools, and that of the entire school district. We are moving ahead as administrators have begun the process, with board members are following suit. The process will include teachers.

Humanex will measure culture and engagement at each of the schools and across the district through the use of student, parent, and staff surveys that will be launched early next fall. The results of these surveys and the technical assistance from Humanex will help us to:

- Understand the current levels of culture and engagement;
- Identify opportunities for growth;
- Grow and maintain meaningful relationships;
- Energize and motivate employees;
- Improve communication among staff, leadership, and families;
- Set and achieve goals for team and organization growth.
