# News Update

18h June 2021

#### **Principal's Post**

Dear Parents/Carers,

What an eventful week! Firstly, I am delighted to say the 'military operation of class photos' was a success! Thank you to all the staff involved in ensuring the photo

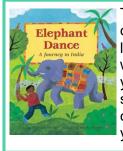

shoots ran as safely and efficiency as they did. I look forward to their arrival for you all to see!

I appreciate there has been a huge amount of information sent out this week regarding the covid-19 update, transition and plans for September 2021. I politely request that all documents are read. The academy has tried to be as clear as possible regarding the new arrangements for the remainder of this term, adhering to current government guidance. I will of course keep you updated if there are any further changes or developments.

I would like to thank you for your support and understanding at this time. Please be assured the academy continues to keep the best interests of the children at the heart of every decision we make, within the guidance we as a school have to adhere to.

Take care and stay safe,

Mr Tom Jordan—Principal

This week is a wonderful story Year 1 have been embracing and exploring. The story is called 'Elephant Dance: A journey to India'. Ravi and Anjali, a young boy and girl have lots of questions for their grandfather, especially Ravi. He is intrigued to find out about where his family comes from and eager to know more about his heritage. The story lets you experience and imagine a whole new world into traditional Indian culture and life-style with its rich descriptive language and brilliant illustrations. The story can be accessed on the following link: <u>https://www.youtube.com/watch?v=4xsDWEvQawA</u> Would you like to visit India? If so, what would you like to experience?

#### **Bee Creative!**

Help protect our wildlife by designing a fabulous bee-friendly garden and you could see it come to life quite literally.

Radio2 and the Royal Horticultural Society are promoting a competition for 6-12 year-olds, where the winning design will be actually created a planted at an NHS site as a garden for use by children and young people with mental health needs (As well as the designer receiving a whole host of bee-inspired goodies!)

Download an entry form from the site below—which also gives full detailscheck out favourite plants for bees and then get drawing.
