Dr Christian Barkei
Principal
St George's International School
11 Rue des Peupliers
L-2328 Luxembourg

30 June 2021

Dear Dr Barkei,

Thank you for the wonderful insect hotel which has exceeded all expectations.

Your staff have been very helpful and enthusiastic for this project, including the biodiversity survey.

I hope that the younger children enjoyed the visit to the residence gardens, and the older cohort having the opportunity to question me a little on our Green credentials.

It was a pleasure to welcome them and I hope to see them and many of their fellow students once the opportunity allows.

Kind regards,

A handwritten signature in cursive script that reads "Fleur Thomas".
