Hello FGS Students,

I hope this email finds you well enjoying your first few weeks of summer. I am writing to remind you of the summer reading assignments and where to find them. The link was previously sent out in the Highlander Hub in early June but wanted to share again and remind you to check for your classes for the coming year.

The Summer Reading Guide can be found [here](#).

If you need to check on what courses you signed up for you can find them on your HN portal under "course requests." Please feel free to reach out to academics@frederickgunn.org if you have any questions about your courses.

Thanks,
Ms. Paulekas
Director of Studies
Mathematics Teacher
Head Varsity Girls Basketball Coach
