Welcome Message

Dear Fellows:

Welcome to Next Level Nola! We are pleased that you have decided to pursue your educational goals with our City College and Career Academy. Whether you are pursuing your Associate's Degree through our City College or a credential or apprenticeship through our Career Academy, Next Level Nola has an option to help broaden your skills.

Once you begin your fellowship, you'll learn more about the incredible hands-on opportunities you'll have to explore your passions and develop critical skills. The achievements of our previous participants have made us proud and we look forward to watching you realize your personal and professional goals. What's happening in the world informs and drives us. Your future, and all that is possible, inspires us.

The enclosed information will help you set out on your path to success.
