

Dear Parent/Carer

THE CLEAN EARTH SHOW – ART COMPETITION

We are organising a brand new event in Hastings and we would love your child/children to be involved.

The Clean Earth Show will be held at the Azur, Marina, St Leonards on Sea, on Sunday 19th September 2021 from 10am to 3pm.

This event will include interactivities and workshops along with local eco friendly companies, and information to help us all make a difference for our future generations, so think global but act local.

The way that we are looking at getting the students involved at Silverdale is with an Art Competition – using recyclable and reusable materials to make a seaside/beach/Hastings themed picture.

There will be an art exhibition of all the pictures at the school, during the 13th and 14th September, which will be judged by Sally Ann Hart MP and the finalists of each year group will then go through the grand final which will be held at the Azur during the event on the 19th September.

There are prizes for each year group and the pictures must be handed in to the school by Friday 10th September 2021 in order for the exhibition to be put together.

So, start collecting those plastic bottles, straws, containers and anything else you can think of and we look forward to seeing your children's artwork in September.

Should you have any questions, please do not hesitate to contact the organisers at: Events Office, 01424 441 833 or email Jo at: sales@eventsoffice.co.uk

Kind regards

J Morris and Events Office
