

- 1) Welcome / Introduction
- 2) Meeting Minutes from 01/14/19
- 3) Chair vote and Secretary nomination – Jim Beck was approved as the Chair. Secretary remains vacant.
- 4) Infection Control at Lockhart ISD – Discussion on the Texas Department of Health on Infection Control / Re-Admittance following a fever.
  - Flu requires a reporting of the cases (not names) to the State. There have been 59 cases of the flu this week, 52 last week and before then there were only 11 in the District.
  - Discussion on cleaning / sanitation of the buses and by school custodial staff.
  - Cases of Measles are being reported, but none in Central Texas. Reviewed signs and symptoms of measles.
- 5) Human Sexuality Health Education in schools – Discussion on the LISD providing a program on Human Sexuality. Not required, but optional for Lockhart. The Council reviewed data from the Journal of School Nursing and the history of schools providing sexual education training.
  - Review of the different programs available and the schools using each (e.g., Lifeworks, Scott and White).
  - Discussion on when such education would be recommended (e.g., 8<sup>th</sup> Grade).
  - There is a requirement to notify parents of the program before the school year and allow them to opt out/grieve.
- 6) Health Fair Update – Shelly Weber is still working on vendors. Discussion on coordinating a blood drive during the event and asking State Farm to bring their simulator.
- 7) Next Meeting – The March meeting was canceled. The LISD School Health Advisory Council will next meet on April 8, 2019.
