Unit 1: Modules 1 – 3

- 1: Psychology and its History
- 2: Today's Psychology and its Approaches
- 3: Subfields in Psychology

You do NOT have to answer the questions at the conclusion of each chapter.

Brief synopsis: Myers begins his textbook with an overview of the course. Information touched upon in this unit will be revisited with more depth, discussion, and analysis later in the course.

Graded projects, tests, and multiple-choice assessments will occur upon return to school in the fall . . . Not all on the first day but be ready!
