

# SANDHILL E-NEWS

WEEK OF APRIL 26, 2021

## Message from Mr. Johnson:

Hi Sandhill Families!

Things look to be heating up in our week ahead! It looks as if after this chilly past week that Spring may have sprung!

You may have heard some buzz from our students, but this week we started "structured recesses". These times are lead by our wonderful Physical Education Teachers, Melissa Reese and Beau Gueths. Look below for more information and photos!

Additionally, we're excited to announce that we will have Stella's Sandhill Fun Run this year on May 18th (Hosted by the Sandhill WFK and facilitated by our PE Department)! Look for more information about this in our upcoming communications.

If after checking out the content in our E-Newsletter you are still left with questions or concerns, please reach out to me or contact the main office at 608-877-5400. We are always happy to chat with you.

Have a great weekend,  
Bob (Mr. Johnson)

From the virtual desk of NHA:

One of the most difficult "asks" in the Nurtured Heart Approach is to change the way we look at behavior from "our children are choosing to misbehave" to one that understands that they haven't learned the skills necessary to handle a situation...yet. When you are able to teach your children the skill that they are missing by providing rich, colorful, descriptive evidence every time you see them being successful (stand 2 of NHA), you are building their inner wealth and making them believe in their greatness!

Reach out with any questions you might have!
