

# SANDHILL E-NEWS

WEEK OF MAY 31, 2021

## Message from Mr. Johnson:

Hi Sandhill Families!

Another week in the books! This week I got to be apart of Human Growth and Development lessons. I was so impressed by the maturity of our 4th and 5th grade students as they learned about these important public health topics. As we go into this long Memorial Day Weekend, I want to take this moment to thank our Sandhill community members who have served in our military to protect the freedoms that we enjoy here in the United States of America.

These next two short weeks are going to fly by! I can't believe that the end of the school year is approaching so quickly! Please look below for some upcoming dates, and end of the year reminders.

If after checking out the content in our E-Newsletter you are still left with some questions or concerns, please reach out to me or contact the main office at 608-877-5400. We are always happy to chat with you.

Have a great weekend,  
Bob (Mr. Johnson)

"If you think  
you are too small  
to be effective,  
you have never been  
in the dark  
with a mosquito."

*- by Betty Reese*

From the virtual desk of NHA:

This made me chuckle (as I itch the bite on my ankle)! And of course, it reminded me so much of NHA!

You may be one person but be like a mosquito in the dark!

Relentlessly energizing the positive is a sure-fire method to teach skills like respect, honesty, patience, being genuine, hard-working, and kind. This is Stand 2 of Nurtured Heart. Provide specific evidence of a person's greatness, over and over and over again, until they are able to articulate it on their own.

No anti-itch cream necessary!

To your (& your child's) GREATNESS, HUMANITY, & SIGNIFICANCE!
