Prescription Drug Coverage

HERE ARE SOME IMPORTANT THINGS TO KEEP IN MIND ABOUT THESE BENEFITS:

- ▶ For the purposes of this section, the phrase cost-sharing amount refers to your plan-specific Copay, Deductible and/or Coinsurance. Please refer to the Schedule of Benefits for plan-specific prescription drug cost-sharing amounts.
- ▶ You are responsible for reviewing and complying with the formulary guidelines associated with this plan. A drug's formulary status is subject to change and your Policy documents indicate which formulary to review. To obtain a copy of the current formulary or a list of drugs requiring Prior Authorization, visit Our web site at deancare.com, log into your DeanConnect portal, or contact Our Customer Care Center at 800-279-1301 (TTY: 711).
- ▶ A formulary is a list of prescribed drugs, medications, supplies and other agents that are approved for use and covered under this Policy. Unless you obtain an exception through Our Non-Formulary Exception Request process, We do not cover any drugs not listed on the formulary.
- ▶ Our formulary is organized by tiers and how much you pay for a certain drug depends upon its tier placement. To find out if a drug is on the formulary and/or under what tier a drug is placed, please visit Our website at deancare.com or contact Our Customer Care Center.
- ▶ Updates to the formulary may be obtained by visiting deancare.com or by contacting Our Customer Care Center.
- ▶ Updates to the formulary may be obtained by visiting deancare.com or by contacting Our Customer Care Center. We reserve the right to change the formulary at any time without notice. Our website maintains a current version of the formulary at deancare.com.
- ▶ We maintain the formulary as a guide for physicians or other prescribers of self-administered medications. Our Pharmacy and Therapeutics Committee, which is made up of physicians and pharmacists, reviews and approves the agents listed based on efficacy, comparative studies, safety, drug interactions, side effects, pharmacokinetics and cost-effectiveness.
- ▶ We use evidence-based medical management processes when making coverage decisions, including but not limited to step therapy. A Health Care Provider, Member, or authorized representative may present medical evidence to obtain an individual patient exception for coverage of a prescription drug or device not routinely covered under the Policy.
- ▶ Drugs may be removed from the formulary at any time when a therapeutically equivalent alternative drug(s) becomes available and covered under this Policy. New drugs are excluded but may be added to the formulary after the therapeutic advantages of the drug and its medically appropriate application are determined. Certain drug products may be excluded when comparable generic or therapeutic alternatives are available.
- ▶ Certain prescription drugs included on the formulary require Prior Authorization. Please refer to the formulary on deancare.com or by contacting Our Customer Care Center. **If Prior Authorization is not obtained when required, no benefits are available.** The drug Prior Authorization process may be initiated by your treating Health Care Provider by filling out a Drug Prior Authorization Request form. This form can be found on deancare.com. When We receive your request form, We will mail Our response to you and your prescribing Health Care Provider. You may contact your Health Care Provider for information about a particular drug, or you can contact Our Customer Care Center.

- ▶ Certain drugs have quantity limits. Please refer to the formulary for these limits.
- ▶ Certain drugs on Our formulary are only covered under Our Partial Fill Program. Our Partial Fill Program requires you to fill certain prescriptions for a shorter-than-usual time period. It works as follows:
 - Your first fill will be for up to 16 days of the first month and you will only pay half of the monthly cost-sharing amount.
 - Your second fill will complete the first month (the next 12-14 days) and you will pay the other half of the monthly cost-sharing amount.
 - You will follow this schedule for the first three (3) months. After you complete the first three (3) months, a complete one-month supply will be available with cost-sharing amount indicated in your Policy documents. See the formulary for additional information.
- ▶ We assign drugs to the specialty drug category based upon the need to provide exceptional management such as: Prior Authorization; clinical oversight and monitoring; special handling; cost; and disease management and/or case management. All specialty drugs require Prior Authorization. Specialty drugs must be obtained from Our specialty Network pharmacies. Certain specialty drugs may be subject to the Partial Fill Program. Medications classified as specialty drugs are identified on the formulary.
- ▶ All prescription drugs over \$2,000 will be reviewed for medical management and/or therapeutic interchange. All compounded medications over \$200 will be reviewed to determine whether they meet Our compound Prior Authorization criteria.
- ▶ Outpatient prescription drugs purchased in connection with emergency or Urgent Care services will be paid according to in-Network pharmacy benefits, as follows:
 - When you purchase formulary drugs in connection with urgent or emergent medical care services, you are not required to use a Network pharmacy if one is not easily accessible. We will cover your purchase as if you went to a Network pharmacy.
 - For Us to cover your prescription, an Out-of-Network Provider must not be under sanction or banned from prescribing by the Centers for Medicare and Medicaid Services (CMS).
 - To obtain reimbursement for drugs purchased from an Out-of-Network pharmacy in an urgent or emergent situation, please submit your receipts along with a prescription manual claim reimbursement form found on Our website at deancare.com.
- ▶ Any drug that is covered under this subsection is also covered when provided in connection with a Clinical Trial if Prior Authorization is obtained.
- ▶ Even if you or your prescribing Health Care Provider specifically request a brand drug, if a pharmacy fills a prescription for a brand drug when a generic equivalent is available and on the formulary, We will not cover the brand drug. You, the Member, will be responsible for 100% of the cost of the prescription.
- ▶ FOR BRAND/GENERIC: Brand Copays apply when there is no generic equivalent of the brand drug.
 - FOR BRAND/GENERIC: The generic drug Copay does not apply to the brand drug out-of-pocket maximum, if your plan has a brand name out-of-pocket maximum.

You have purchased this Waiver of Premium Rider as part of your Group Member Certificate issued by Dean Health Plan, Inc. (Dean). **Please keep this Rider with your Certificate and other important insurance papers.**

This Rider has the effective date of your Certificate and is part of the entire contract as defined by the Policy. It shall continue in force under the same provisions that govern the entire contract. This Rider supersedes any conflicting terms within your Certificate. All other terms, provisions and conditions of the entire contract remain unchanged except as stated above.

In witness whereof, Dean Health Plan, Inc. has executed this Waiver of Premium Rider.

Frank Lucia- President & Chief Executive Officer

Waiver of Premium

Under this benefit, a Subscriber's premium will be waived a maximum of 33 months for any one Period of Disability. Premium payments must be resumed beginning with the month in which the Subscriber resumes his or her regular job duties as a member of the eligible class of employees specified by the employer. The Waiver of Premium benefit applies only to a Subscriber who becomes disabled after the effective date of the Policy and applies to the coverage type (single or family) in effect at the time the Subscriber becomes disabled.

Definitions

Disability

The term "Disability" is defined as the inability of a covered employee to perform adequately the material and substantial duties of his or her regular occupation due to his or her own involuntary and medically determinable physical or mental impairment(s). Disability may be verified by Us.

The Subscriber must submit Our approved Affidavit of Eligibility for Waiver of Premium Benefit form in order to qualify for this benefit.

Period of Disability

The term "Period of Disability" is defined as one continuous period beginning on the Subscriber's date of Disability and ending on the date on which the Subscriber dies or ceases to be disabled, but not longer than a period of 33 consecutive months. Successive periods of Disability will be deemed to be the same Period of Disability unless:

- a. The Disability is due to an unrelated cause and separated by a return to the regular performance of job duties for the employer; or
- b. The Disability is due to the same or related cause but separated by a return to the regular performance of job duties for the employer for six consecutive months.

Waiting Period

A Subscriber is not eligible for the Waiver of Premium benefit until the Subscriber has exhausted all paid medical leave. If a Subscriber returns to work during a Period of Disability, the 33-month maximum benefit period will be extended the number of days on which the Subscriber works and for which resumed premium payments are made.

Eligibility for Coverage

1. A Subscriber is eligible for the Waiver of Premium benefit if all of the following apply:
 - a. The Subscriber must meet the definition of Disability and have been on an active segment at the time of disability, and
 - b. The Subscriber submits a completed Affidavit of Disability form to Us. If the Subscriber is on a waiver of premium benefit at the time of initial enrollment with Us, the Subscriber must still provide Us with this documentation, if requested.

Length of Coverage

Under this Waiver of Premium benefit, premium will be waived until the earliest of the following dates:

- a. The date the Subscriber ceases to be disabled;
- b. The date the Subscriber dies;
- c. The date the Subscriber fails to provide proof satisfactory to Us of continued Disability; or
- d. The date this Plan terminates for any reason.

Coordinating Benefits with Medicare

In coordinating benefits with Medicare, We will follow all applicable state and federal laws (including, but not limited to, statutes, regulations and sub-regulatory guidance).

All Members, including the Subscriber's spouse and/or dependents, who become or are already eligible for enrollment in Medicare are **strongly encouraged** to enroll in both Medicare Part A and Medicare Part B, because Medicare may become the primary payer of that Member's claims, as described in the Group Member Certificate. **Failure to enroll in Medicare Part A and B will result in the Member paying out-of-pocket expenses for services that Medicare might have covered, because We will process the Member's claims as if the Member is enrolled in Medicare.**

Please refer to the Group Member Certificate, Section VII, Coordination of Benefits (COB) for more information about how We coordinate benefits with Medicare. If you need assistance in determining how your coverage coordinates with Medicare, including if or when Medicare will be the primary payer of your claims, please contact Our Customer Care Center and ask to speak with Our Medicare COB Analyst.

I. POLICY PROVISIONS

*Certain terms used in this Section are defined throughout and/or in the **Glossary of Terms**.*

Access to Care

Because the provider network can change, you should confirm Our Network Providers before you seek care. You can do this by viewing Our provider directory on deancare.com or calling Our Customer Care Center at 800-279-1301 (TTY: 711).

We have many Network Providers who can care for you. If you're not sure you need to see a doctor, or you're wondering if you have a problem, call Our free 24-hour nurse line. It's called Dean On Call and can be reached at 800-57-NURSE or/and 608-250-1393. Dean On Call nurses do not provide medical care or treatment. They base their advice solely on the information you give them when you call. Due to licensing laws, Dean On Call services are only available to Wisconsin residents.

You do not need Prior Authorization from Us or from any other person (including a Primary Care Provider) in order to obtain access to obstetrical or gynecological care from a health care professional in Our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining Prior Authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Us at 800-279-1301 (TTY: 711).

Network Providers

Network Providers are Health Care Providers that sign an agreement with Us to provide medical services to Our Members. Network Providers include, but are not limited to, doctors (MD), podiatrists (DPM), optometrists (OD), chiropractors (DC), nurse practitioners (NP), hospitals, doctors of osteopathy (DO) and pharmacies.

If you use Our Network Providers, covered charges will be paid based on the agreement between Us and the Network Provider. If there is a difference between the amount the Network Provider agreed to charge and the amount actually billed, you will not have to pay the difference.

Please note, Our contracts with Network Providers will not affect or interfere with your relationship with your Health Care Provider. Your Health Care Provider is still responsible for making all medical decisions regarding your care. This includes deciding which treatments are appropriate for you. However, any treatment plan chosen by your Health Care Provider must meet this Policy's benefit requirements to be covered.

Out-of-Network Providers

You can choose to seek care from Health Care Providers that are not in Our Network. However, if you choose to seek care from an Out-of-Network Provider you will be responsible for paying higher out-of-pocket costs.

Out-of-Network Providers are Health Care Providers who have not signed an agreement to provide medical services to Our Members and they are not listed in the most current edition

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

of Our Provider Directory. We are not responsible or liable for the quality of care provided by an Out-of-Network Provider.

Generally, if you choose to see an Out-of-Network Provider, We will pay charges up to Our Maximum Allowable Fee. If there is a difference between the Maximum Allowable Fee and what the Out-of-Network Provider bills, you may have to pay the difference. Please call Our Customer Care Center if you have questions about the Maximum Allowable Fee.

However, there are a few exceptions:

- We will cover Emergency Services or Urgent Care you receive from an Out-of-Network Provider as if you are seeing a Network Provider.
 - You do not need to ask for Prior Authorization.
 - If you need further care after you are medically stable, We may ask that you transfer to a Network Provider. If you refuse transfer, We may not continue to cover your care.
 - You still need to pay any applicable Deductible, Coinsurance, or Copay amounts.
 - We will pay charges up to Our Maximum Allowable Fee. If there is a difference between the Maximum Allowable Fee and what the Out-of-Network Provider bills, you may have to pay the difference. Please call Our Customer Care Center if you have questions about the Maximum Allowable Fee.
- If a Network Provider cannot provide care that you need, We may cover care you receive from an Out-of-Network Provider as if that provider is in Our Network.
 - You must ask for Prior Authorization before you see an Out-of-Network Provider and We must approve your request. We will decide based on the following:
 - i. Whether a Network Provider can provide the care you seek; and
 - ii. Whether the care you are seeking is medically appropriate for you.
 - If your Prior Authorization request is approved, We will cover your care as if you saw a Network Provider. We will base Our payment on what the Out-of-Network Provider charges, not Our Maximum Allowable Fee.
 - You still need to pay any applicable Deductible, Coinsurance, or Copay amounts.

Please see the Glossary of Terms and Benefits section for more information.

Before you seek care from an Out-of-Network Provider, you can call Our Customer Care Center to get information about Maximum Allowable Fees. Before you call, You will need to contact your Out-of-Network Provider to get the procedure code(s) and the amount(s) the Out-of-Network Provider intends to charge. You can give this information to Our Customer Care Center so We can determine the Maximum Allowable Fee for the service(s) you are seeking. Within 5 business days of receiving your request, We will notify you to tell you whether the service is covered and if it is subject to the Maximum Allowable Fee or any other Policy provisions (e.g., Deductibles or Copays).

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

Prior Authorization

Your Health Care Provider must get Prior Authorization from Us before We will cover certain procedures or services. Examples of procedures and services that need Prior Authorization are listed below. This is NOT a complete list. You should contact Our Customer Care Center at 800-279-1301 (TTY: 711) to verify whether a procedure or service needs Prior Authorization.

Examples of Procedures/Services Requiring Prior Authorization:

- Certain medical injectables.
- Certain radiology services.
- Clinical trials.
- Communication devices.
- Non-emergency ambulance transport.
- Habilitative Services.
- Services provided in a home setting.
- Dental services required to treat accidental injury to teeth.
- Durable medical equipment (DME) greater than \$500, unless otherwise stated in Our medical policies.
- Therapies (physical therapy, occupational therapy, speech therapy).
- Pain management.
- New technologies not commonly accepted as standard of care.
- Hospice.
- Transplants (except cornea).
- Elective inpatient admissions and services.
- Sleep Studies.
- Select diagnostic testing (e.g., genetic testing).
- Skilled Nursing Facility/swing beds (SNF).
- Surgical procedures related to obesity.

The Process for Obtaining Prior Authorization:

If your Health Care Provider recommends that you have a service or procedure that needs Prior Authorization, your Health Care Provider should submit a Prior Authorization request form to Us. It is the Member's responsibility to make sure that your Health Care Provider requests Prior Authorization. We must receive the Prior Authorization request at least 15 business days before the date of your service or procedure. We will notify you in writing of Our decision.

Your Health Care Provider may decide that it is Medically Necessary for you to 1) get additional services beyond what We originally authorized, or 2) receive care for longer than the length of time We originally authorized. If this happens, your Health Care Provider must contact Us to request an extension of the original authorization. You and your Health Care Provider will be notified of whether We approve or deny your extension request.

Prior Authorization does not guarantee coverage and/or payment if you have already reached a benefit maximum or your coverage has been terminated.

Failure to Get Prior Authorization:

If you fail to get Prior Authorization for any Medically Necessary covered service which requires an authorization, a penalty of 50% of the allowed amount, up to a \$500 maximum

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

per occurrence, is applied. All Copays, Deductibles and Coinsurance for Covered Expenses still apply. This penalty will not count toward your Out-of-Pocket Expense Maximum. You, the Member, must ensure that your Health Care Provider has gotten Prior Authorization for all services.

Urgent Care and Emergency Services:

In urgent and emergency situations, you may need medical attention before the written Prior Authorization process can take place. You do not need to get Prior Authorization for Urgent Care or Emergency Services. However, if you need to be admitted to a facility We must be notified within 48 hours or the next business day (whichever is longer) at 800-279-1301 (TTY: 711).

Inpatient services may be reviewed for Medical Necessity.

If you get Urgent Care or Emergency Services from an Out-of-Network Provider and need further care, We may ask that you transfer to a Network Provider after you are medically stable. If you refuse transfer, We may not continue to cover your care.

Concurrent Review for Out-of-Network Providers:

We will continue to review facility Confinements and certain outpatient services after you have gotten an initial Prior Authorization. We review these services concurrently to decide if they continue to be Medically Necessary. If your Health Care Provider decides that additional care beyond the length of time originally authorized is Medically Necessary, your Health Care Provider must contact Us to request an extension. We will notify the Health Care Provider of Our decision to approve or deny the request. If a Health Care Provider fails to provide Us the information We need to make a decision, We will deny those services. Any amount(s) denied for this reason will not apply toward satisfaction of the Out-of-Pocket Expense Maximum.

You are still considered active if you are absent from work due to disability, illness, or leave of absence as determined by your employer. Unless coverage is continued as allowed under the law, a Subscriber who leaves employment due to active military service of longer than 30 days will cease to be considered active under the Policy. The definition of Medically Necessary used in this Certificate relates only to this Policy and may differ from the way a doctor engaged in the practice of medicine defines medically necessary.

Under federal law, health insurers such as Us generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn to less than 48 hours following a vaginal delivery, or less than 96 hours following a Cesarean section. Federal law does not prohibit the mother's or newborn's attending Health Care Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). If this occurs, We will only provide benefits for the shorter stay. We may not require you to obtain Prior Authorization for stays that are not in excess of 48 hours (or 96 hours).

Effective Date of Coverage

Coverage will become effective on the latest of the following dates:

For a Subscriber:

1. The Effective Date of the Group Master Policy; or

An Eligible Employee may be Active at Work/Active Status on a non-working day or while absent from work due to disability, illness, or leave of absence. For further explanation of Active at Work/Active Status, see Section II, "Glossary of Terms".

For Qualified Dependents:

1. For a Qualified Dependent that is enrolled with the Subscriber, coverage will begin on the Subscriber's Effective Date.
2. For an individual (other than a newborn or adopted child) who becomes eligible for coverage as a Qualified Dependent as a result of marriage or another qualifying event, coverage will begin on the date the individual becomes eligible for coverage.
3. For a newborn of the Subscriber, or a newly born child of a Qualified Dependent child, coverage will begin from the moment of birth.

Coverage for Full-Time Students on Medical Leave following Active Duty Service

This provision applies to Qualified Dependents who have returned to school full-time following active duty service. If such a Qualified Dependent must take a Medically Necessary leave of absence from school due to illness or injury, he or she will be eligible to remain covered under this Policy despite no longer being a Full-Time Student, as described below.

For coverage to continue, the attending Health Care Provider must certify that the leave of absence is Medically Necessary. This certification can be sent to Us by the attending Health Care Provider, or by the Qualified Dependent or an individual on his or her behalf. The continued coverage will begin on the date the Qualified Dependent stops being a Full-Time Student due to the Medically Necessary leave of absence.

We will continue to provide coverage until any of the following occur:

- The Qualified Dependent notifies Us or the employer that he or she does not intend to return to school full-time;
- The Qualified Dependent becomes employed full-time;
- The Qualified Dependent obtains other health coverage;
- The Qualified Dependent marries and is eligible for coverage under his or her spouse's health coverage;
- The Subscriber's coverage under this Policy is discontinued or otherwise terminated;
- or
- One year has elapsed since the Qualified Dependent's continued coverage began and the dependent has not returned to school full-time.

This provision only applies to a Qualified Dependent whose eligibility for coverage is based on his or her Full-Time Student status. Enrollment must be requested within 31 days of the marriage, birth, adoption or placement for adoption.

- Late Enrollees will not be allowed to enroll for coverage.

Please contact your employer for more information about applying for coverage as a Late Enrollee.

ID Card Information

Your ID card provides useful information regarding the insured Subscriber and Qualified Dependent(s), along with important telephone numbers and billing information. The ID card does not guarantee coverage or payment of benefits. If your ID card is lost, stolen or otherwise needs replacement, you can request a new one.

Continuation

If your coverage ends as described in the "When Coverage Ends" subsection, you may be eligible to continue coverage or convert to an individual policy as described below.

Federal Group Health Continuation Rights under COBRA

The Federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, requires most group health plans to provide a temporary continuation of coverage that might otherwise be terminated.

If you elect continuation coverage, you may be responsible for all or part of the Premium payments (as determined by the employer). You do not have to provide proof of good health to elect COBRA continuation coverage. This provision generally explains when COBRA continuation coverage is available and what you need to do to exercise your right to receive COBRA continuation coverage.

Qualifying Events Under COBRA

COBRA continuation coverage is available to "qualified beneficiaries" who have experienced a "qualifying event." You, your spouse and your dependent children could become qualified beneficiaries.

Subscriber

If you are a Subscriber, you have the right to choose COBRA continuation coverage if you lose your group health coverage because of a reduction in your hours of employment or the termination of your employment (for reasons other than gross misconduct).

Spouse

If you are the spouse of a Subscriber, you have the right to choose COBRA for yourself if you lose group health coverage for any of the following qualifying events:

1. The death of your spouse (Subscriber).
2. Termination of the Subscriber's employment (for reasons other than gross misconduct) or reduction in the Subscriber's hours of employment.
3. Divorce or legal separation from the Subscriber.
4. The Subscriber becomes entitled to Medicare.
5. The Subscriber has retiree coverage and the employer files for bankruptcy (Chapter 11 Reorganization).

Qualified Dependent

In the case of a Qualified Dependent child of Our Subscriber, he or she has the right to elect continuation coverage if group health coverage is lost for any of the following qualifying events:

1. The death of the Subscriber.
2. The termination of the Subscriber's employment (for reasons other than gross misconduct) or reduction in hours of employment.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. 3. Parent's divorce or legal separation.
4. The Subscriber becomes entitled to Medicare.
5. The dependent child ceases to be a Qualified Dependent.

The Subscriber, spouse or Qualified Dependent is responsible for informing the Policy administrator/employer of any of the following qualifying events within 60 days of their occurrence:

- Divorce;

- Child losing dependent status under the plan.

The employer (if the employer is not the Policy administrator) is responsible for notifying the Policy administrator of any of the following qualifying events within 30 days of their occurrence:

- Subscriber's death;
- Termination or reduction in hours of the Subscriber's employment;
- Subscriber's entitlement to Medicare, or
- Commencement of the employer's bankruptcy proceedings.

Within 14 days of receiving notice of your qualifying event, the Policy administrator will notify you of your right to elect COBRA continuation coverage.

Electing COBRA Continuation Coverage

Each qualified Member has an independent right to elect COBRA continuation coverage. Additionally, Subscribers may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children. If you wish to elect COBRA continuation coverage, you must do so within 60 days of receiving notice of your right to elect COBRA continuation coverage or losing coverage, whichever is later. If you do not elect continuation coverage, your coverage under this Policy will terminate.

Benefits Under COBRA Continuation Coverage

If you elect continuation coverage, the employer is required to give you coverage that (as of the time coverage is being provided) is identical to the coverage provided under the Policy to other Members. You will be afforded the opportunity to maintain continuation coverage for up to 3 years from the date of your qualifying event, unless your qualifying event was termination of employment or reduction in hours.

If your qualifying event is the termination or reduction of hours of the Subscriber's employment, qualified beneficiaries are entitled to a maximum of 18 months of continuation coverage. However, an 18-month maximum period can be extended:

1. If any of the qualified beneficiaries in your family is disabled and meets certain requirements, all of the qualified beneficiaries receiving continuation coverage due to a single qualifying event are entitled to an 11-month extension of coverage, for a total

If you choose to extend your COBRA coverage, you must elect it before the end of the 18-month period by giving written notice of your election to extend COBRA coverage.

2. If a qualified beneficiary experiences a second qualifying event while receiving COBRA coverage, he or she is entitled to an 18-month extension of coverage, for a total maximum period of 36 months. The following are considered a second qualifying event as long it would have caused the qualified beneficiary to lose coverage under the plan in the absence of the first qualifying event: the death of the Subscriber, the Subscriber becomes entitled to Medicare, the divorce or legal separation of the Subscriber and spouse, or a loss of dependent child status under the plan. You must notify the employer/Policy administrator of all of these events within 60 days of: a) the date on which the qualifying event occurs; b) the date on which you lose (or would lose) coverage; or c) the date on which you are informed of the obligation to provide such notification.

Please note your continuation coverage may be cut short for any of the following reasons:

1. The employer no longer provides group health coverage to any of its employees.
2. The Premium for your continuation coverage is not paid.

Continuation Coverage under the Uniformed Services Employment and Reemployment Rights Act (USERRA)

If a Subscriber leaves employment due to active military service of longer than 30 days, he or she may elect to continue coverage under the Policy for up to 24 months under the Uniformed Services Employment and Reemployment Rights Act (USERRA) by providing advance notice of the military service and electing to continue coverage. Please contact your employer/Policy administrator for further information on your rights under this law.

This provision does not fully describe continuation coverage or other rights under your employer's Policy. More complete information regarding such rights is available from your Policy administrator/employer.

Wisconsin Group Health Continuation and Individual Conversion

You as the Subscriber and any Qualified Dependents may apply, without proof of good health, for a continuation of group coverage or for an individual policy. You can apply if you have been covered under this Policy for three consecutive months and you leave your employer group for any reason other than discharge for gross misconduct.

Your employer must notify you of your right to continuation coverage within 5 days of receiving your notice to terminate coverage. You must then apply for coverage within 31 days of receiving notice of your right to continuation coverage.

If you choose continuation coverage, your employer is required to give you coverage that is identical to the coverage provided to the other Members under the Policy. You will be responsible for paying the entire Premium due for your coverage.

You are eligible for continuation coverage if you lose your group coverage for any of the following reasons:

1. You are a Subscriber who is no longer eligible for coverage under this Policy, except if your employment was terminated for gross misconduct.
2. You are a Qualified Dependent of a Subscriber who is no longer eligible for coverage under the Policy, except if the Subscriber's employment was terminated for gross misconduct.
3. You are the Subscriber's spouse who is no longer eligible for coverage under the Policy due to divorce or annulment.
4. You are the Subscriber's spouse or dependent who is no longer eligible for coverage under the Policy due to the Subscriber's death.

Group continuation coverage will be available for a maximum of 18 months. You must be a Wisconsin resident, pay timely Premiums and you cannot be eligible for similar coverage under another group Policy. You may apply for an individual policy at the end of the 18-month period, but in order to be eligible, We must receive your application within 31 days after your continuation coverage ends.

Disenrollment

A Member may be disenrolled for any of the following reasons:

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. 1. The required Premiums are not paid by the end of the grace period. The grace period ends 31 days from the last unpaid Premium due date.
2. The Member performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact in connection with the coverage.
3. The Member no longer resides, lives or works in the Service Area, or in the area for which We are authorized to do business.

If a Member is disenrolled for fraud or intentional misrepresentation of material fact, this coverage will be continued until the Member finds his or her own coverage or until the next opportunity to change insurers, whichever comes first.

VI. GENERAL PROVISIONS

*Certain terms used in this Section are defined throughout and/or in the **Glossary of Terms**.*

Benefit Determination and Policy Interpretation

We, as the claims administrator, have the exclusive discretionary authority to determine eligibility for benefits and to construe the terms of this Policy. Any such determination or construction shall be final and binding on all parties, unless it is arbitrary and capricious.

Circumstances Beyond Our Control

If the rendition or provision of services and other covered benefits is delayed or rendered impractical due to circumstances not reasonably within Our control, such as complete or partial insurrection, labor disputes, disability of a significant part of hospital or medical group personnel or similar causes We and Network Providers will use Our best efforts to provide services and other covered benefits. However, neither We nor any Network Provider shall have any other liability or obligation on account of such delay or such failure to provide services or other benefits.

Confidentiality

We respect the confidentiality of Our Members and will use reasonable efforts to keep confidential all medical information regarding a Member. Please see Our "Notice of Privacy Practices" brochure provided with your new Member information or view on Our website at deancare.com/about-dean/privacy-policy/.

Conformity with Federal and State Laws

We comply with all applicable federal and states laws. This Certificate will conform to the minimum requirements of applicable laws if any provision conflicts with the laws of the state in which We issue this Policy.

Limit on Assignability of Benefits

This is your personal Certificate. You cannot assign any benefit to anyone other than a doctor, hospital or other provider entitled to receive a specific benefit for you.

Limit of Liability

We shall not be held liable for injuries, damages, expenses related to, or the result of improper advice, action, or omission by any Health Care Provider.

Limitations on Suits

No action can be brought against Us to pay benefits until the earlier of 60 days after We have received or waived proof of loss, or the date We have denied full payment. This delay will not cause prejudice against you. No action can be brought more than 3 years after the time We require written proof of claim to be submitted.

Major Disaster or Epidemic

If a major disaster or epidemic occurs, Network Providers and hospitals will render medical services (and arrange extended care services and home health service), insofar as practical, according to their best medical judgment and within the limitation of available facilities and personnel. If the disaster or epidemic causes unavailability of facilities or personnel, We and Network Providers have no liability, or obligation for delay or failure to provide or arrange for

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. such services. In this case, Members may receive Covered Expenses from Out-of-Network Providers.

Fraud and Intentional Misrepresentation: Right of Rescission

Intentional misrepresentations made when applying for coverage could cause an otherwise valid claim to be denied, or your coverage to be rescinded. Carefully check the information provided when you apply for coverage and write to Us within 10 days if any of the information is incorrect or incomplete (such as an incomplete medical history). This Certificate was issued on the basis that the statements, representations and warranties made when you and any dependents applied for coverage are correct and complete.

We will rescind coverage if information is received that indicates a fraudulent or an intentional misrepresentation was made by you or anyone acting on your behalf when you applied for insurance, if you or the person acting on your behalf knew that the representation was false and either:

1. We relied on the misrepresentation and the misrepresentation was either material or was made with intent to deceive; or
2. The fact misrepresented contributes to a loss under the Policy.

Within 60 days after acquiring knowledge of a misrepresentation, We will notify you of Our intention to either rescind coverage or defend against a claim if one should arise; within 120 days we will notify you if We determine that it is necessary to secure additional medical information.

If your coverage is rescinded due to fraud or intentional misrepresentation, you will not be eligible for continuation coverage.

Oral Statements

No oral statement of any person shall: modify or otherwise affect the benefits, limitations, exclusions and conditions of this contract; convey or void any coverage; increase or reduce benefits described within this Certificate; or be used in the prosecution or defense of a claim under this Policy.

Doctor and Hospital Reports

Doctors and hospitals, from time to time, must give Us reports to help Us determine Member benefits. By accepting coverage under the Policy, you have agreed to authorize providers to release any necessary records to Us. This is a condition of Our issuing this contract and paying benefits. Please Note: Expenses for patient-requested records are not covered by Us.

For more information about authorizing release of records, refer to Right to Collect Needed Information below.

Physical Examination

We have the right to request a Member to receive a physical examination to determine eligibility for benefits. We will pay for this expense if We request such an examination. By accepting coverage under the Policy, you have agreed to consent to any required examination. Please call Our Customer Care Center for a listing of doctors who can provide required examinations.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

Proof of Claim

As a Member, it is your responsibility to show your health insurance ID card each time you receive services. Failure to notify a Provider of your membership may result in claims not being filed on a timely basis. This delay may cause your claim to be denied and you to be billed for the charges involved.

Recovery of Excess Payments

If We pay more than We owe under this Policy, We can recover the excess payment from you. We can also recover from another insurance company or service Policy, or from any other person or entity that has received any excess payment from Us.

Right to Collect Needed Information

Members must cooperate with Us when We investigate a claim or require information necessary to administer the Policy. Cooperation includes, but is not limited to, the following assistance:

1. Authorizing the release of medical information, including the names of all providers from whom you received medical attention;
2. Providing information about the circumstances of any injury or accident;
3. Providing information about other insurance coverage and benefits; and
4. Providing a Member's Social Security Number or other personal information.

Your failure to assist Us may result in Our denial of claims.

Right to Exchange Information

By accepting coverage under the Policy with Us, each Member gives permission to Us, the Network Provider and/or clinic to obtain and share any information (including medical records) necessary for administering the terms of this Policy. The Member also agrees to provide Our Network Providers and/or clinics any information that is needed to administer the terms of this Policy. The information obtained will be kept confidential and used only for the purpose of administering this Policy. All Members have a right to access their medical records at their own expense.

Severability

If any part of this Certificate or the Policy is ever prohibited by law, it will no longer apply. The rest of this Certificate or the Policy will continue in full force.

Subrogation

If you are entitled to special damages for an illness or injury caused by a third party or for which any party is liable, you agree that We have a claim for subrogation as to those damages. Our subrogation claim is for the reasonable value of the medical care and services you receive related to that illness or injury. We have the right to recover payments you are entitled to receive from: a responsible third party, the insurance company of the third party, a company that provides medical payment coverage, Workers Compensation coverage, or uninsured or underinsured motorist protection for you.

You agree to honor Our subrogation rights, to cooperate with Us in the enforcement of Our subrogation rights and to take no action which would prejudice Our subrogation rights and

interests without first obtaining Our prior consent, so We may protect such rights and interests.

Under applicable state law, We may have no right to recover from you if you have not been "made whole." Furthermore, We may be entitled to recover directly from a third party, the third party's insurer or any other liable insurer. You agree to provide Us with written notice of any claim or lawsuit that you initiate against a third party, if that claim or lawsuit includes any special damages for an illness or injury. You also agree that any settlement or compromise of a claim or lawsuit will not terminate Our rights to subrogation, unless We have provided prior written consent. Before any settlement is reached, you must notify the third party or parties of the amount of Our subrogation claim. We will not pay for any fees or costs associated with a claim or lawsuit, unless We give prior, express written approval. If We erroneously pay for or provide medical services which are the result of a work-related illness or injury for which the employee may be eligible for workers' compensation benefits, you agree to reimburse Us to the extent of the value of such services.

Timely Submission of Claims

If you receive services from a Health Care Provider that requires you to submit the claim to Us for reimbursement, you must obtain an itemized bill and submit it to:

**Dean Health Plan, Inc.
Attention: Claims Department
P.O. Box 56099
Madison, WI 53705**

Claims must be submitted within 60 days of the date of service, or as soon as possible. If We are the primary payor and We do not receive the claim within 12 months after the date of service, We will deny coverage of the claim. If you do not notify a provider that you have coverage with Us and this failure results in a claim not being filed in a timely manner, We may deny coverage of the claim. If We are the secondary payor, the time limit for timely submission begins with the date of notice of payment or rejection by the primary payor.

End of Section VI

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

VII. COORDINATION OF BENEFITS (COB)

*Certain terms used in this Section are defined throughout and/or in the **Glossary of Terms**.*

Coordination of Benefits Provision

This Coordination of Benefits (COB) provision applies when a Member has coverage through more than one health plan or through an out-of-network pharmacy policy. Please note that We coordinate benefits following Wisconsin's requirements.

Definitions: For the purposes of this COB provision only, the following terms are defined:

Allowable Expense is the necessary, reasonable and customary item of expense for health care, when the expense is covered in whole, or in part, by one or more Plans covering the Member for whom the claim is made. For example, the cost difference between a private and semi-private hospital room is not an Allowable Expense, unless it is determined that the person's stay in a private hospital room is Medically Necessary.

Claim Determination Period is a Contract Period. However, this does not include any time of a Contract Period that a person is not covered under This Plan, or any time before this or a similar COB provision became effective.

Plan is any insurance policy, benefit program or other arrangement that provides benefits or services for medical or dental care. This includes:

1. Group or group-type coverage that includes continuous 24-hour coverage. This includes any HMOs, IPAs, prepaid group practices, PPOs or other prepayment, group practices or individual practice plans.
2. Governmental plans or coverage that is required or provided by law. This does not include state Medicaid plans, Medicare Supplement policies, or any plan whose benefits by law are in excess to those of any private insurance program or other non-governmental program.
3. Individual automobile "no-fault" contracts.

Primary Plan will pay benefits for Covered Expenses as if no other coverage were involved.

Secondary Plan will determine payment for Covered Expenses based on the benefits paid by the Primary Plan.

This Plan means the Certificate We have issued to you as a Member.

COB Information

At times We need information to coordinate benefits appropriately. We determine what information is needed and We obtain that information from other organizations or persons. We will only obtain the information or documentation needed to apply the COB rules. We may also provide necessary information or documentation to another organization or person in order to coordinate benefits. Medical records remain confidential as provided by state and federal requirements.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

We may make a payment to another Plan if that Plan made a payment that We should have made. If We make such a payment on behalf of a Member, it will be considered a benefit payment for the Member's Plan and We will not pay that amount again.

Additionally, We will recover any payment that exceeds the amount that should have been paid. We will recover the excess amount from any person or organization to whom, or on whose behalf, the payment was made.

Order of Benefit Determination Rules

This Plan's benefits will not be reduced if the following rules indicate that This Plan is primary. However, benefits may be reduced if the rules indicate that This Plan is secondary. The first rule that applies is the rule that will determine which insurance Plan is primary.

1. No coordination of benefits provision

If the other Plan does not have a coordination of benefits provision, that Plan will be primary.

2. Non-dependent/dependent

The Plan that covers a person as an employee, Member or Subscriber (other than as a dependent), is primary. The Plan that covers a person as the dependent of an employee, Member or Subscriber is secondary.

3. Coordinating coverage for dependent children

If a dependent child has coverage through both parents' Plans and the parents are not separated or divorced, the birthday rule is used to determine which Plan is primary.

- a. **The Birthday Rule:** The Plan of the parent whose birthday falls earlier in the calendar year is primary. If both parents have the same birthday, the Plan that covered a parent for a longer period of time is primary.
- b. **Exception to the Birthday Rule:** If the other Plan does not coordinate benefits by the birthday rule, benefits will be coordinated according to the other Plan's COB provisions.

4. Coordinating coverage for dependent children of divorced, legally separated parents or unmarried parents.

If a dependent child has coverage through both parents' plans and a court order awards custody of the child to one parent, benefits are coordinated as follows:

- a. First the Plan of the parent who has custody of the child; then
- b. The Plan of the spouse of the parent who has custody of the child; then
- c. The Plan of the parent who does not have custody; then
- d. The Plan of the spouse of the parent who does not have custody.

If a court decree orders one parent to be responsible for health care expenses, the Plan of that parent is primary. If a court decree states that both parents share joint custody but does not state which parent is responsible for health care expenses, the order of benefits will be determined by the birthday rule in "3." above. Note: We will only enforce rule "4." when We have actual knowledge of the court-ordered terms.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

5. Active/Inactive Employee

The Plan that covers a Member as an employee, or a dependent of an employee, that is neither laid off nor retired is primary over the Plan that covers a Member as an employee, or a dependent of an employee, that is either laid off or retired. If the other Plan does not have this rule and as a result the Plans do not agree on the order of benefits, this rule is ignored.

6. Continuation Coverage

The Plan that covers a Member as an actively at work employee or as that employee's dependent is primary over the Plan that covers a Member through a continuation Plan issued pursuant to state or federal law. If the other Plan does not have this rule and as a result the Plans do not agree, this rule will not apply.

7. Longer/Shorter Length of Coverage

If none of the above rules apply, the Plan that has covered the person for a longer period of time is primary.

Calculating Benefits When This Plan Is Secondary

When one or more group-type or government health Plans are primary, the benefits of this Policy may be reduced under this section.

The benefits under this Plan may be reduced so that Our benefits and the benefits payable under the other Plans do not equal more than the total Allowable Expenses. When the benefits of this Policy are reduced as described, each benefit is reduced in proportion and it is then applied to any applicable benefit limit of this Policy.

Coordinating Benefits with Medicare

We will coordinate benefits with Medicare when a Member becomes eligible for Medicare benefits. In doing so, We will follow all applicable state and federal laws (including, but not limited to, statutes, regulations and sub-regulatory guidance). In no case will Our payment and Medicare's payment be more than the total Allowable Expenses. All Plan Copays, Coinsurance, Deductibles, maximums, limitations and exclusions apply to all benefits paid under This Plan.

If a Member is eligible for Medicare and Medicare would be the Primary Plan for that Member, We strongly suggest that the Member enroll in both Medicare Part A and Part B. Failure to enroll in Medicare Part A and B will result in the Member paying out-of-pocket expenses for services that Medicare might have covered, because We will process the Member's claims as if the Member is enrolled in Medicare. For more information, please see the "Payment of Claims" subsection in this section, or contact Our Customer Care Center.

The three ways a Member can be eligible for Medicare benefits are as follows:

1. Reaching Age 65

A Member who reaches age 65 may become eligible for Medicare Parts A and B. We strongly suggest that you contact the employer through which This Plan was obtained and the Social Security office in your area for information regarding enrollment into Medicare before your 65th birthday.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

Once you reach age 65 and are eligible for Medicare benefits, We will coordinate benefits as follows:

a. Subscriber has “current employment status” as defined by Medicare regulations:

- i. If the Subscriber’s employer has 19 or fewer employees, as defined by Medicare regulations, We will pay secondary to Medicare.
- ii. If the Subscriber’s employer has 20 or more employees, as defined by Medicare regulations, We will pay primary to Medicare.

b. Subscriber does not have “current employment status” as defined by Medicare regulations:

- i. If the Subscriber has accepted a severance package, is retired, is on group continuation, is on long-term disability, or otherwise does not have “current employment status” as defined by Medicare, We will pay secondary to Medicare.

Benefits will be coordinated as described in the “Payment of Claims” subsection.

2. Medicare Disability

If the Member is under age 65, is considered Medicare Disabled and is eligible for Medicare Parts A and B, We will coordinate benefits as follows:

a. Subscriber has “current employment status” as defined by Medicare regulations:

- i. If the Subscriber’s employer has 99 or fewer employees, as defined by Medicare regulations, We will pay secondary to Medicare.
- ii. If the Subscriber’s employer has 100 or more employees, as defined by Medicare regulations, We will pay primary to Medicare.

b. Subscriber does not have “current employment status” as defined by Medicare regulations:

- i. If the Subscriber has accepted a severance package, is retired, is on group continuation, is on long-term disability, or otherwise does not have “current employment status” as defined by Medicare regulations, We will pay secondary to Medicare.

Benefits will be coordinated as described in the “Payment of Claims” subsection.

3. End Stage Renal Disease

If the Member is diagnosed with End Stage Renal Disease (ESRD), This Plan will be primary to Medicare for 30 months from the initial month of Medicare eligibility, as determined by the Social Security Administration.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

After 30 months have passed, Medicare will be primary and This Plan will be secondary. Medicare benefits are not limited to just ESRD treatment. Medicare coverage may end 12 months after maintenance dialysis is no longer needed or 36 months after a successful transplant.

Please contact Our Medicare COB Analyst or Our Customer Care Center when you receive information from Medicare or Social Security about changes to End Stage Renal Disease coverage.

If the federal laws regarding the payment of benefits changes and the determination of Medicare as a Primary Plan or Secondary Plan changes, This Plan will comply with those changes.

Payment of Claims

1. When We coordinate benefits as the Secondary Plan, We will coordinate after Medicare has processed the claim. If the Member is eligible for Medicare Parts A and B, but did not enroll in Medicare, We will coordinate benefits as if the Member was enrolled in Medicare. The Member will be responsible for all services that would have been covered by Medicare. All Plan Copays, Deductibles, maximums, limitations and exclusions will still apply to benefits coordinated with Medicare.
2. When We coordinate benefits as the Primary Plan, We will process the claims without consideration of what Medicare may cover. All Plan Copays, Deductibles, maximums, limitations and exclusions will apply. If, at any time, We become the Secondary Plan (e.g., due to retirement or change in employer), We will then coordinate benefits as the Secondary Plan. In the event We pay claims as primary, but determine at a later time, whether during or after the termination of This Plan, that Medicare should have paid the claims as primary, We will recover such payments. The recovery date of these claims will go back one year, to the first day of the month in which the error is discovered. (For example, if an error is found on October 15, 2016, the recovery will go back to October 1, 2015).

End of Section VII

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. VIII. GRIEVANCES AND APPEALS

*Certain terms used in this Section are defined throughout and/or in the **Glossary of Terms**.*

Grievances and Appeals

A. Complaint

A complaint is any expression of dissatisfaction expressed to Us by the Member, or a Member's authorized representative, about Us or Our providers with whom We have a direct or indirect contract. We take all Member complaints seriously and are committed to responding to them in an appropriate and timely manner.

If you have a complaint, please contact Our Customer Care Center. We will document and investigate your complaint and notify you of the outcome. If your complaint is not resolved to your satisfaction you have the right to file a grievance. Any written expression of dissatisfaction will automatically be addressed as a grievance. (See "B. Grievance")

B. Grievance

A grievance is any dissatisfaction with Us, including the way We provide services or process claims, or a decision to change or rescind a policy. A grievance must be expressed in writing to Us by, or on behalf of, a Member.

This grievance process does not apply when a Member is requesting coverage of a drug or item not listed on Our formulary. These requests are subject to the non-formulary exception process described later in this section.

To file a grievance, you or your authorized representative must send your grievance to Us in writing at the following address:

**Dean Health Plan, Inc.
Attention: Grievance and Appeal Department
P.O. Box 56099
Madison, WI 53705**

When We receive your grievance, Our Grievance and Appeal Department will send you an acknowledgement letter within 5 business days. Our acknowledgment letter will advise you of:

- Your right to submit written comments, documents or other information regarding your grievance;
- Your right to be assisted or represented by another person of your choosing;
- Your right to appear before the Grievance and Appeal Committee; and
- The date and time of the next scheduled Grievance and Appeal Committee meeting. This meeting will not be less than 7 calendar days from the date of your acknowledgment letter but will occur within 30 calendar days of the date We received your grievance.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

If you choose to meet with the Grievance and Appeal Committee you may do so either in person or over the phone via teleconference. As described in the acknowledgement letter you must call and schedule a meeting time.

Your grievance will be documented and investigated. So that you will have time to respond prior to Our grievance decision, We will automatically send you the following information:

1. Any new or additional evidence We consider, rely upon, or generate in the course of considering your grievance; or
2. Any new or additional rationale We use to make Our decision.

If you wish to receive a free copy of any other documents relevant to the outcome of your grievance, send a written request to the address listed above. All grievances will be resolved within 30 calendar days of the day We receive your request.

C. Expedited Grievance

If We decide your grievance is urgent according to Our criteria, We will resolve your grievance within 72 hours of the time We receive it. Our criteria are based on the expedited grievance provisions of applicable law.

We will automatically treat your grievance as expedited if:

1. Your concerns are related to a facility admission or concurrent review of a continued facility stay;
2. Our Medical Director decides your life, health, or ability to regain maximum function could be jeopardized by the standard review timeframe;
3. Your Health Care Provider notifies Us that you would be subject to severe pain that cannot be adequately managed without the services you requested ; or
4. Your Health Care Provider notifies Us that he or she has decided you need care urgently.

You, your authorized representative or your Health Care Provider may request an expedited grievance either orally or in writing. You can make this request in your initial grievance or in a separate communication.

If you are eligible for an expedited internal grievance and also for external review, you can request that your internal and external reviews happen at the same time.

D. Independent External Review

You may also be entitled to an independent external review. You can ask for an external review if We denied your grievance and it involves care that We have determined does not meet the Policy requirements for reasons involving medical judgement. Those reasons include, but are not limited to:

1. Medical Necessity;
2. Appropriateness;
3. Health care setting;
4. Level of care; or
5. Effectiveness of a covered benefit.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

You can also request an external review if your requested services are considered Experimental or Investigational or if We have rescinded your Policy.

You must exhaust Our internal review process before you can request an external review unless:

1. We fail to comply with internal claims and appeals requirements,
2. You request an expedited external review when you request an expedited internal review; or
3. We grant your request to bypass Our internal review process.

If you or your authorized representative wishes to request an external review, you or your authorized representative must submit your request within four months of the date We decided your grievance.

There are two categories of external review, standard and expedited. Most requests for external review will follow the standard timeline; however in some cases you may ask for an expedited (faster) review.

Standard External Review

You may request a standard external review in one of the following ways:

1. By directly submitting the request online at www.externalappeal.com;
2. By mailing the request to the independent review organization (IRO) at the following address:

MAXIMUS Federal Services
3750 Monroe Avenue, Suite 705
Pittsford, NY 14534

3. By faxing the request to (888)-866-6190.

If you choose to mail or fax your request, print and fill out the online form. Please note you may also provide additional documentation such as:

1. Documents to support the claim, such as letters from your Health Care Provider, reports, bills, medical records, explanation of benefits (EOB) forms (optional);
2. Letters sent to your health insurance plan about the denied claim (optional); and
3. Letters received from the health insurance plan (optional).

You can get the online form at www.externalappeal.com or by calling Our Customer Care Center at 800-279-1301 (TTY: 711).

The IRO will notify you and Us of its decision no later than 45 days after it receives your request for external review.

Benefits listed in this Certificate are only available as long as the Policy and your coverage are in effect. The Certificate must be read together with the Schedule of Benefits, Group Master Policy and other Policy documents to ensure accurate information regarding coverage, obligations and responsibilities under the Policy. If you are unsure if a service is covered, please call Our Customer Care Center prior to having the service performed. Our Customer Care Center will attempt to assist you. However, no information provided by Our Customer Care Center shall change your coverage, obligations and responsibilities under the Policy.

A decision made by the IRO is binding for both you (the Member) and Us with the exception of the Rescission of a policy or certificate. You are not responsible for the costs associated with the IER.

Expedited External Review

In some cases you may ask for an expedited (faster than usual) external review. You may request an expedited external review when:

1. You have asked for an expedited grievance and want an expedited external review concurrently (at the same time) and the timeframe for an expedited grievance (72 hours) would place your life, health, or ability to regain maximum function in danger; or
2. You have completed the grievance process described above and the decision was not in your favor, and:
 - a. The timeframe to do a standard external review (45 days) would place your life, health or ability to regain maximum function in danger; or
 - b. The decision is about admission, care availability, continued stay, or emergency health care services where the person has not been discharged from the facility.

You may request an expedited external review by following the process described above for standard external reviews, or by calling the IRO at (888) 866-6205. The 72-hour timeframe for an expedited review request begins when the phone call ends.

The IRO will notify you and Us of its decision as soon as possible, but no later than 72 hours after it receives your request for external review. The IRO may call you with its decision, but it must also mail you a written version of the decision within 48 hours of calling you.

A decision made by the IRO is binding for both Us and the Member with the exception of the Rescission of a policy or certificate. You are not responsible for the costs associated with the IER.
