When items are mentioned by a particular brand, substitution of equal quality items will be considered only if the proposed substitution is clearly stated. When a proposer fails to so identify a proposed substitution, it will be assumed that it is proposing the exact item requested.

The Westport Board of Education is exempt from the payment of Federal Excise Taxes and Connecticut Sales and Use Tax according to State Statute. Such taxes must not be included in RFP prices nor added to any items specified.

2. The Westport Board of Education reserves the right to grant an award in total or for any part thereof for the items or services for which proposals are requested. In addition, the Board of Education reserves the right to award this RFP as a package in conjunction with other RFPs for similar services/supplies/equipment. The Board reserves the right to award with preference to State of Connecticut contract holders and/or local vendors.
3. The submission of a RFP shall be conclusive evidence that the vendor has satisfied itself as to the requirements of the RFP specifications and any controlling conditions which may exist.
4. Vendors may not withdraw their RFP for a period of 120 days from the date of RFP opening. The Westport Board of Education and proposers may mutually agree to extend the time limit.
5. In determining the ranking of responsible vendors, the Westport Board of Education may consider, in its sole discretion, in addition to price, the quality, availability and type of service, the experience of the vendor, the sufficiency of the financial resources of the vendor and the reputation of the vendor for ability, integrity, judgment and performance, as well as the ability of the vendor to provide future service/supplies/equipment.

6. **EQUIPMENT** -It shall be the responsibility of the Contractor to provide a sufficient number of vehicles, with sufficient capabilities to adequately meet the needs of the Westport Board of Education. All vehicles will have valid Connecticut Department of Motor Vehicles operating certificates and be maintained in safe and suitable condition for operation. It is the responsibility of the Contractor to provide safe, proper, and appropriate maintenance on vehicles used during the term of this Contract. Vehicles used to transport students shall not display any advertisement, political or otherwise, either inside or outside of the vehicle without the expressed written consent of the Westport Board of Education. All buses/vans must be maintained in a neat and clean condition, both inside and out, at all times that weather permits.
7. **RESPONSIBILITIES** -Where any vehicle is used under this contract to perform home-to-school or special education services as needed based upon (IEP requirements) is required to include a bus aide provided by the Contractor, for purposes of this contract, the use of the terms "bus attendant" or "aide" are interchangeable. All aides must be prepared to assist special education students to and from the threshold of the property, and they must assist the handicapped pupil in entering and leaving the vehicle. While this is not to be construed as requiring aides to carry a pupil, it does mean assisting by lifting legs, carrying books, or otherwise assisting handicapped pupils to enter and leave buses. In addition, drivers must be prepared to provide a certain amount of reasonable assistance, as circumstances may deem necessary. The physical examinations of drivers shall be at the driver's or the Contractor's expense. All exams to be completed as required by regulations of the Department of Motor Vehicles. The Westport Board of Education, through the Superintendent of Schools and/or his/her designee, reserves the right to require any and all reasonable precautions for the safety of students in their transportation to and from school.

Under no circumstances shall a driver refuse to pick up or discharge a pupil at an established school bus stop, unless authorized by the District, nor shall a driver remove a pupil from a bus providing services hereunder before reaching the pupil's intended destination, except in the case of an emergency.

8. Costs submitted for Daily Charge must include administration, mileage, driver and bus aide where required, including travel time to-and-from each destination, and vehicles with specified equipment as required to perform transportation services.

CANCELLATIONS:Due to certain student requirements, any route may be cancelled or delayed with 24 hours notice to the Contractor, without costs incurred to the WPS District. Note cancellations may also be weather dependant due to snow and ice, etc.

9. **COMBINING SERVICES** -The Westport Board of Education is interested in reducing transportation costs for the School District and other districts by combining services where available. The Westport Board of Education will allow prospective bidders to offer proposals combined with other districts if they have formal approval from that district. The purpose of this option is to help reduce costs: if student(s) are not compatible with the combined services they would revert to single transportation.
10. The Board of Education of the Town of Westport supports efforts to reduce the use of illegal drugs in the workplace. In instances where responsible prospective vendors submit identical tie RFPs, preference shall be given to the businesses with drug-free workplace programs. Whenever two or more RFPs which are equal with respect to price, quality, and service are received by the Board of Education for the procurement of commodities or contractual services which are proposed, a RFP received from a business which has certified that it has implemented a drug-free workplace program shall be given preference in the award process. The drug-free workplace program certification is attached and is to be submitted with the RFP package by the vendor along with other RFP documents in order to receive preference. This policy shall become effective in accordance with the provisions of the Charter of the Town of Westport regarding RFP/BID procedure.
