

**Flash Player Instructions:** In order to view the Westport Board of Education Videos you must have the latest Adobe Flash Player Installed and Enabled in your browser. If you do not have it installed as you follow these directions you will be redirected to the Adobe Flash Installation Site.

**Chrome Instructions:**

Even if Adobe Flash is Installed you will see the message below. Click on the link in the browser to enable Flash for westportps.org

You will then be prompted with the following to allow Flash. Please select Allow to continue.

**Internet Explorer Instructions:** Internet explorer and Microsoft Edge do not prompt to Allow Flash Content. In the event that your security settings do prompt please select Allow to continue viewing the Meetings.

**Safari Instructions:** Ensure you have Flash installed on your computer. Once installed you will be prompted by the browser to enable Flash for the website. See Screen Shot below.
