

## Dear Parents and Carers 5.7.21

### Term 6 Week 5

We have Teams Parents' consultations, on 6th and 7th July thank you to those who have booked an appointment, the link to the online teams meeting will be sent to you. This is a 15 minute slot, if you feel this is not enough time to discuss everything please let your class teacher know and we can arrange an additional appointment.

Thursday 8th July Games Day—children to come in to school wearing their brightly coloured sports gear for the whole day. We are very excited!

### English

This week we will be focusing on the importance of writing in the correct tense. The children will find out more about the Gregg family and compare what they thought at the beginning of the story and what they think now. We will be using our knowledge of suffixes to support us. We will also be developing our editing skills, ensuring we are checking our spellings and punctuation.

### Maths

This week we will be recapping on repeated addition and how it links to multiplication.

We will be learning that statements such as  $5+5+5$  is equivalent to  $3 \times 5$ . We will then be using our knowledge to solve word problems including in the context of money.

### Wider curriculum

This week we will be beginning our DT project. The children will be thinking about what we will need to bake bread and to make our own packaging.

To celebrate the end of the book fair we will be having a special Harry Potter themed afternoon on Friday. The children will design their own outfit and make a witch or wizards hat.

### Sounds Write

This week we will learn to spell and build words containing the sound /g/. There are four different spellings for /g/, /g/ as in big, /gg/ as in digger, gh/ as in ghost and /gu/ as in guess. I wonder if you can spot the /g/ sound in your kitchen?
