

Complaints Policy and Review Procedure

CHARTERHOUSE

OVERVIEW STATEMENT

This procedure is for use by parents (and guardians) of current pupils of the School in circumstances in which they have a complaint regarding their own or their child's treatment and which does not fall within the scope of other procedures.

For the avoidance of doubt, this procedure does not apply to parents (and guardians) of prospective pupils or pupils who have left the School voluntarily or as a result of being excluded (except in cases where the complaints process was started when the pupil was still being educated at the School).

The School will make written records of all formal complaints (including any relating to the boarding provision), the date on which they were received, any meetings or interviews held in relation to the complaints, and whether they were resolved at the formal stage or proceeded to a review hearing. The records will include any actions taken by the School as a result of the complaints (regardless of whether they were upheld). Records regarding formal complaints which do not have safeguarding implications shall be retained for a minimum of 7 years.

INFORMAL STAGE (Stage 1)

It is hoped that most complaints will be resolved quickly and informally, normally within 14 days. Indeed, the overwhelming majority of parents' complaints are better addressed through informal resolution.

Parents with complaints should, in the first instance, raise these informally with an appropriate member of staff (which in most cases is likely to be the pupil's Head of House, Tutor or Head of Department). In most cases, this will lead to a satisfactory resolution.

During holidays the School will do what it reasonably can to reply promptly to parents and to follow the procedures within this policy. It may be the case that, due to the unavailability of key personnel (staff, pupils and parents), responding in full to a parental complaint can only be completed during term time.

FORMAL STAGE (Stage 2)

If the complaint cannot be resolved on an informal basis and the parent remains dissatisfied, then they should put their complaint in writing, using the form attached, addressed to the Head. The written complaint should outline the nature of the complaint, why they remain dissatisfied and the resolution sought. If the Head or a decision taken by him, is the subject of the complaint, the written complaint should be addressed to the Chair of the Governing Body.

In most cases, the Head will communicate with the parent, normally within 7 days of receiving the complaint, to acknowledge receipt. In some cases, the Head's initial communication itself will lead to a resolution of the complaint.

Upon receiving a written complaint, the Head may feel it necessary to carry out further investigations. The Head will keep written records of all meetings and interviews held in relation to the complaint.

Having carried out his investigation, the Head shall inform the parents in writing of his decision and the reasons for his decision within 21 days of receiving the complaint. If it is inappropriate for the Head to deal with the complaint (e.g. because he is the subject of the complaint or has been materially involved in circumstances directly involved with the complaint), the Chair of the Governing Body will (if necessary) investigate and respond in writing within 21 days of receiving the complaint.

CHARTERHOUSE

If parents remain dissatisfied with the decision reached at Stage 2, they should apply for a review hearing.

APPLICATIONS FOR REVIEW HEARING (Stage 3)

Parents must only apply for a review hearing after the informal and formal stages above have been exhausted.

The application for a review hearing should be in writing using the form attached and must outline the nature of the parent's complaint, why they remain dissatisfied and the resolution sought. The letter should be addressed to the Clerk of the Governing Body, Charterhouse, Godalming, Surrey GU7 2DX and should be sent within 7 days of the date you received a written Stage 2 decision from the Headmaster or Chair of the Governing Body.

REVIEW PANEL

The Review Panel will comprise at least 2 members of the Governing Body nominated by the Chair of the Governing Body, and 1 person who shall be independent of the management and running of the School. The members of the panel will, so far as is reasonably possible, have no previous detailed knowledge of the case or of the pupil(s) and parents concerned and will not usually include the Chair of the Governing Body. The panel will elect its own Chair.

The Chair of the Governing Body on behalf of the panel, will formally acknowledge the application for a review hearing and schedule a hearing to take place as soon as time allows (normally within 21 days though this may take longer outside term-time).

REVIEW HEARING

The hearing will take place at the School or such other place as the Chair of the Review Panel should determine.

Those present at the hearing will normally be:

- The Review Panel
- The Head (unless this is considered inappropriate because he is the subject of the complaint)
- Other members of staff (if appropriate)
- Parents or those with parental responsibility
- The pupil (if appropriate)
- Clerk to the Governing Body or someone to take a note of the hearing

Parents may be accompanied by a friend, or a member of staff acting as a friend if required but not a legal representative. Parents should inform the Review Panel of the individuals attending the hearing 3 working days before the hearing. All reasonable efforts will be made to ensure that the parents (and if applicable their friend) are able to attend the hearing but the hearing will proceed in their absence if they are not able to attend.

DOCUMENTS

Each member of the Review Panel will be supplied with a copy of the relevant documents. The parents shall be entitled to copies of any documents that will be considered at the review hearing.

If the Review Panel feels it is important, it may require that additional details connected to the complaint or related matters be supplied in advance of the hearing. Copies of material outlining these details should be given to all involved parties at least 3 working days prior to the hearing.

PROCEEDINGS

The proceedings will be chaired by 1 member of the Review Panel and conducted in a formal manner. A minute will be kept of the main points that arise.

If the Head considers it necessary in the interests of the individual or the School that the identity of any person should be withheld, the Chair of the Review Panel may require that the name of that person, and the reason for withholding it, be written down and shown to the Review Panel. The Chair may direct that the person be identified.

Parents will be given an opportunity to have their say.

If possible, the Review Panel will resolve the parents' complaint immediately without the need for further investigation. However, the Review Panel can investigate further as it sees fit.

DECISION

The Review Panel will consider the points raised by the parents and the evidence gathered and will make a decision about the complaint and make recommendations.

The decision and any recommendations of the Review Panel will be notified in writing to the parents, the Head, the Governing Body and (where appropriate) the person(s) complained of, by the Chair of the Review Panel, usually within 7 days of the hearing, subject to further investigations being required.

The decision of the Review Panel will be final. The School will not engage in further correspondence regarding the same complaint after it has been considered at all three stages of this policy. Repeated attempts made by parents to raise the same complaint after it has been considered at all three stages of this policy, will be regarded as vexatious.

A copy of the decision and any recommendations will be retained at the School for reference by the Head and the Governing Body.

In exceptional circumstances, in order to ensure a fair decision-making process, deviation from the foregoing procedure may be authorised by the Review Panel. Parents will be notified of any such deviations relevant to any review that they request. Any such deviation will be within the standards set out in The Education (Independent School Standards) Regulations 2014.

The School pledges to treat all complaints seriously and, so far as reasonably possible, all correspondence, statements and records relating to individual complaints will be treated confidentially within the requirements of the Education (Independent Schools Standards) Regulations 2014 except where the Secretary of State or a body conducting an inspection under section 108 or 109 of the Education and Skills Act 2008 requests access to them or where any other legal obligation prevails. Similarly, confidentiality is expected of the parents, the subject(s) of the complaint and any others who may be involved in the proceedings or have access to any related documents.
