On December 27, 2020 the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) was signed into law. The act allows for additional funds to be made available to post-secondary students whose education and lives have been disrupted due to Coronavirus. These funds are now available for us to distribute. These funds may be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care. The CRRSAA requires institutions to prioritize students with exceptional need, such as students who receive Pell Grants.
