Amazon Smile

How does my organization receive the donations?

Each quarter, the Amazon Smile Foundation makes donations to eligible charitable organizations by electronic funds transfer. Donations will be transferred approximately 45 days after the end of each calendar quarter. To account for product returns, a portion of the quarterly donations will be withheld until the next donation cycle, subject to any reduction due to returns from prior quarters.

How does Amazon Smile work?

When first visiting Amazon Smile, customers are prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at Amazon Smile, customers must first select a charitable organization. For eligible purchases at Amazon Smile, the Amazon Smile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization.

What is the Amazon Smile Foundation?

The Amazon Smile Foundation is a 501 (c) (3) private foundation created by Amazon to administer the Amazon Smile program. All donation amounts generated by the Amazon Smile program are remitted to the Amazon Smile Foundation. In turn, the Amazon Smile Foundation donates those amounts to the charitable organizations selected by customers. Amazon pays all expenses of the Amazon Smile Foundation; they are not deducted from the donation amounts generated by purchases on Amazon Smile.

Please use smile.amazon.com when shopping and select Cedar Elementary PTO Inc as your charity.
